Agenda: Mr. Blackketter made a motion to accept the agenda as presented. Mr. McWhinney seconded the motion. Mrs. Ferris noted the Kent Board of Education budget transfer request should be added to the agenda. Mrs. Brady made a motion to add item D1. Kent Board of Education budget transfer request to the agenda. Mr. Blackketter seconded the motion, and the motion was approved unanimously. Mr. Blackketter made a motion to approve the agenda as amended. Mrs. Brady seconded the motion, and the motion was approved unanimously.

Approval of Minutes: . Mr. Blackketter made a motion to approve the minutes of the February 20, 2018 meeting. Mr. McWhinney seconded the motion, and the motion was approved unanimously.

Correspondence: There was no correspondence.

Reports: Tax Collector: Debbie Devaux did not attend the meeting and did not provide a report.

Board of Education: Board chairman Marty Lindenmayer said he has no report.

Board of Selectmen: First Selectman Bruce Adams said he has no report.

Treasurer: Treasurer Barbara Herbst had no report.

Kent Board of Education budget transfer request: Mrs. Herbst provided a worksheet regarding the school board's request to transfer capital funds remaining in two accounts to the KCS Window Project (attached). Mr. Epstein made a motion to approve the budget transfers from Capital – KCS Security Upgrades, \$24,049.37 to Capital - KCS Windows and Capital KCS Roof FY '15-'16, \$96,626.35 to Capital - KCS Windows and send the budget transfers to Town Meeting. Mr. Blackketter seconded the motion. Mr. Jensen asked if the amount of the transfer could be changed, what year were the taxpayers charged for these funds and why wasn't the surplus brought into the capital plan before? Mr. Sebetic suggested Mr. Jensen direct his questions to the Board of Education. The motion was approved unanimously.

Business: Five Year Capital Plan: Mr. Blackketter made a motion to send the proposed Five-Year Capital Plan to the Kent Planning and Zoning Commission (attached). Mr. McWhinney seconded the motion, and the motion was approved unanimously.

Region One FY 2019 Budget: Jonathan Moore provided copies of the proposed regional school budget prior to the meeting and Budget Process 2018-19 sheet (attached), noting the budget reflects a 0% increase over current spending. Mr. Moore noted Kent's share of the regional school budget would be increased by about \$1,454.

Kent Center School FY 2019 Budget: The proposed Kent Center School FY 2019 budget was emailed to the board prior to the meeting (attached). Mr. Lindenmayer said the school board has asked the negotiator to contact the teacher association about reopening its contract for the purpose of discussion of health insurance. Mr. Lindenmayer said a reduction would be noticeable in health insurance if the teacher union agrees to make changes. He added there could be some savings in the principal salary line due to the retirement of the current principal and the hiring of a new principal. Principal Florence Budge said enrollment stands at 235, down from 250 seven years ago. Board member CiCi Nielsen said the school board is keeping its eye on student enrollment numbers. Mrs. Budge said "undoubtedly Kent has the best school in the region because of your support. Thank you all."

Board of Selectmen FY2019 Budget: Mr. Adams provided a copy of the proposed FY 2019 Board of Selectmen's budget via email prior to the meeting (attached). Mr. Adams provided a written overview of the proposed budget highlights (attached), noting the proposal represents a 3.9% increase in spending. Mr. Adams and Selectman Chris Garrity discussed the proposed \$10,000 expenditure for a management review of employee salaries. Mr. Adams said salaries have become a pretty big issue this budget season. Mr. Garrity said he personally doesn't feel an across-the-board increase is the best way to reward people for the work they have done, adding that there currently are no tangible procedures for evaluating employees. He added the proposed management review is an attempt to create a policy and procedure to be able to look at departments and for employees to get paid the way they should be paid. Mr. Sebetic said he feels the town employees have done considerably better since 2007 than the private sector with mostly across-the-board 3% annual increases. He added he does not see a reason to spend \$10,000 on such a study. Mr. Epstein said he feels such a review is "going to open an even bigger can of worms." Mr. Adams noted there is revenue offset for the resident trooper program that next year would include a \$50,000 contribution from High Watch while one of the private schools would not be in a position to make its \$20,000 donation. Mr. Jensen commented there is still a deficit for the resident trooper program, asking if the Town could ask the schools for more money? Mr. Garrity said that he feels the Town should be paying a portion of the cost of the trooper program. Mr. McWhinney asked the first selectman if he has heard the fire department has a budget deficit? Mr. Adams said yes but does not know a number. Mr. McWhinney said the Town is spending \$70,000 on public safety that it could spend on the fire department. Catherine Bachrach said she feels the resident trooper is an incredible asset to the Town. Mrs. Nielsen added that the resident trooper has a tremendous relationship with the KCS students. Mr. Adams said the Town is looking at the Connecticut Partnership Plan for health insurance which could save some money in health insurance costs.

Mr. Sebetic asked the board if it would like to see any changes in any of the proposed budgets. He commented the school budgets are very minimally increased and only the proposed \$10,000 management review in the selectmen's budget bothers him.

Mrs. Herbst presented a preliminary revenue budget and unassigned general fund balance information (attached) for discussion purposes.

FY2019 Budget Calendar Updates: No changes were made to the calendar.

Streetscape Plan: BOS Request: Mr. Adams gave an overview of the Streetscape Committee which is a subcommittee of the Board of Selectmen that has been working on a downtown revitalization plan. The Town has received a \$500,000 state grant which now has been funded and also has \$100,000 in the capital plan. Mr. Adams noted the subcommittee asked the Board of Selectmen for a \$10,000 expenditure from the capital plan to use for planning. The Board of Selectmen unanimously approved the request, and Mr. Adams said he is bringing the request to the Board of Finance. Mr. Adams noted that subsequently the Town received a private donation from a committee member in the amount of \$10,000. Mr. Adams said he still would like an appropriation from the capital plan in case the \$10,000 is not enough money. Mr. McWhinney made a motion to approve pre-funding the Streetscape Committee \$10,000 for planning from the Five-Year Capital Plan, Streetscape. Mrs. Brady seconded the motion. Mr. Garrity questioned if it would be appropriate for the Board of Selectmen to take more money when the Town already has a donation in the amount the subcommittee requested. Mr. Garrity said he feels the request is clear for \$10,000, and the subcommittee should have told the Selectmen if it thinks it needs more. Mrs. Herbst noted the donation could go directly to a program, saying the money has been deposited in the Capital Plan for Streetscape. Mr. McWhinney said he withdraws his motion. Mrs. Brady said she withdraws her second of the motion.

Comments from Public and Invited Guests: Mrs. Bachrach requested the Boards of Selectmen and Finance maximize publicity about the budget hearing. Ms. MellisWorthington asked why the Board of Selectmen is going with a 12% increase for health insurance when the school board is using an 18% increase. Mrs. Herbst said the figure came from the regional business manager.

Mr. Epstein made a motion to adjourn the meeting at 9:17 p.m.

The Budget Process 2018-19

On January 2, 2018, the Budget Committee (of which I am a member) began the budget process with a 2.72% increase.

Subtractions and additions to the budget resulted in approximately a net reduction of \$427,000. Despite those reductions and a 0% increase, Kent's overall budget will increase by \$1,454, due to a shift in enrollment.

The main drivers of the budget were the significant savings in health insurance from contract negotiations (I am a member of both negotiating teams). This savings offset a significant increase in debt service in the 2018-19 budget related to the recent construction at the high school (science wing, boiler, underground storage tank, locker rooms, fitness center, and roof). This increase will be \$200,000. Losing the savings from health insurance next year will make our ability to be at zero virtually impossible in the 2019-20 budget because of this debt service. This debt service should start to lessen in 3 years as debt starts to shrink as older debt approaches its end.

The Budget Committee and Board's rationale for wanting to achieve a 0% increase was the following:

- State budget putting pressure on local towns.
- State grant uncertainty on RSD1 and ECS funding.
- HVRHS enrollment is currently at 364 resident students.
- Enrollment projections show it being level next year with a projected decline over the next 5 years to 327.

Other Major Increases and Reductions.

- Business Ed. Program added, .2 FTE.
- Class sizes will be within reasonable limits with the proposed staffing plan.
- Reduction in English .4, World Language (German .6, which eliminates this program. The elimination is due to low numbers [9 in 1st year this year]),

PE/Health .7, Social Studies .4, and Special Education Teacher 1.0 FTE (retirement).

- **Special Olympics program added \$10,000.**
- **District Application Coordinator \$ reduced PowerSchool because position is being outsourced to EdAdvance.**
- **IT Support Specialist increased from part time position to full time, \$35,226.**
- **Maintenance Budget level funded.**
- **Transportation for Bridges Program \$13,904**
- **AP and PSAT testing included \$9,500 (\$7000 for one exam for each student [approx. 70] taking AP)**
- **SPED transportation reduced \$40,000**
- **SPED outplacement costs increased \$150,000**
