### **Board of Finance** Minutes Regular Monthly Meeting Tuesday, Feb. 16, 2016

Present: Jim Blackketter, Maureen Brady, Ed Epstein, Mark McWhinney, Mark Sebetic.

Public and Invited Guests: Bruce Adams, Carol Franken, Barbara Herbst, Cynthia Hochswender, John Mauer, Lynn Mellis Worthington, Donna Miller.

Vice chairman Mark Sebetic called the meeting to order at 7:00 p.m.

**Agenda:** Mr. Blackketter made a motion to add the following items to the agenda: approval of minutes of 1/21/16; Assessor's Report; Appointment of Auditor. Mrs. Brady seconded the motion, and the motion was approved unanimously. Mr. Blackketter made a motion to accept the agenda as amended. Mr. McWhinney seconded the motion, and the motion was approved unanimously.

Approval of Minutes: Mrs. Brady made a motion to approve the minutes of the Jan. 5, 2016 monthly meeting. Mr. Blackketter seconded the motion, and the motion was approved unanimously. Mrs. Brady made a motion to approve the minutes of the Jan. 21, 2016 special meeting. Mr. Blackketter seconded the motion, and the motion was approved unanimously.

Correspondence: Mr. Adams had shared an email regarding the Governor's projected state revenues for Kent for FY 21017 (attached).

**Reports:** Tax Collector: The tax collector did not attend the meeting and did not provide a report.

Board of Education: John Mauer said he had information to share regarding the Five-Year Capital Plan.

**Board of Selectmen:** First Selectman Bruce Adams reported the following:

- o Attended the COST Annual Meeting today in Hartford.
- o Public restroom project is moving forward; bid package should be ready to go out in another month.
- o Awaiting announcement on the three STEAP grants for which the Town applied.
- o Putting together an application to DOT for a Community Connectivity Road Safety Audit for Route 7 (Congregational Church to the Greenhouse) and Route 341 (Kent School entrance to Maple Street Extension).
- o Looked at a public restroom under construction in Hopewell Junction, NY.
- o Cost of the paramedic program in the current fiscal year is reduced to \$22,000 due to the lower call volume since the closing of The Kent. Some of this cost is expected to come back to the Town from the fire department.

Treasurer: Barbara Herbst provided the board with Board of Education monthly budgetrepoved FOR RECORD (attached). KENT TOWN CLERK

Assessor's Report: Patty Braislin provided the Grand List report (attached). The Grand List shows a .21% increase.

**Appointment of Auditor:** Mrs. Herbst shared the audit subcommittee's recommendation (attached). Mr. Epstein made a motion to appoint Sandra E. Welwood, LLC as the auditing firm for five fiscal years starting with FY 2015-16 at a cost of \$21,500 per year. Mr. Blackketter seconded the motion, and the motion was approved unanimously.

Business: FY 2017 Budget Calendar Updates – combined BOE & BOF meeting to be scheduled: Mr. Adams noted the Board of Selectmen is on schedule and expects on March 15, 2016 to bring a budget proposal to the Board of Finance. Mr. Sebectic said in communication today with Board of Education chairman Paul Cortese that the school board expects to have a budget proposal approved at its March 3 meeting and would email a copy to the Finance Board before the March 15, 2106 meeting. The Finance Board will aim to hear both budget presentations at its March 15 meeting and could meet again on March 22 (tentatively) if needed.

Acceptance of the FY2017 Capital Plan: Mr. Adams said the plan (attached) was presented as information at the Annual Town Meeting, and there were hardly any comments.

Mr. Mauer noted the Board of Education voted on some changes to its capital plan requests:

- The proposed purchase of a new truck would be funded in the current operating budget.
- Window project funding proposed at \$100,000 in FY 2018 and \$100,000 in FY 2021.

Mr. Epstein said he would not support the proposed Five-Year Capital Plan unless the \$850,000 for KCS building improvements in FY 2022 is removed from the plan. Mr. Blackketter and Mr. Sebetic said they do not disagree at all. Mr. Epstein made a motion to remove from the Five-Year Capital Plan \$850,000 for KCS building improvements in FY 2022. Mr. Blackketter seconded the motion. Mr. Mauer noted the school board plans to spend \$20,000 for an architectural review of the school building to get firm numbers for these proposed improvements. There was some discussion on whether the finance board would be accepting or approving the capital plan at the meeting. Mr. McWhinney and Mr. Blackketter said they would prefer the board approve the plan before it goes to the Planning and Zoning Commission. Mr. Blackketter, Mr. Epstein, Mr. McWhinney and Mr. Sebetic voted yes, and Mrs. Brady abstained from voting. The motion was approved.

There was discussion about adding \$100,000 for KCS windows in FY 2021. Mr. McWhinney said he wouldn't change anything to the left of the solid black line in the Five-Year Capital Plan until the board hears a request from an elected Board of Education member. Mr. Blackketter agrees. Mr. Mauer commented that communication about the capital plan has been delegated to him. The board took no further action on changes to the capital plan and the consensus is to wait to send it to Planning and Zoning Commission. Mr. McWhinney asked for a clarification on bridge #05519 (Macedonia) which Mr. Adams will get. Mr. Blackketter made a motion to accept the Five-Year Capital Plan, dated Jan. 22, 2016, as amended. Mr. Epstein seconded the motion, and the motion was approved unanimously.

Mr. Sebetic proposed the Board of Finance and the Board of Education meet on a night separate from either board's regular meeting night and before the joint budget meeting to discuss finding a means of communication that is productive to both boards. Mr. Sebetic will propose to Mr. Cortese Feb. 22, 23, 24, 29 or March 1 at 7 p.m. as possible dates for a joint meeting.

FY2017 Budget: There was no other discussion.

**Public and Invited Guests:** Library Director Donna Miller provided the board with documents supporting the library's budget request that also were provided to the Board of Selectmen (attached). Ms. Miller noted the library requested an additional \$25,000 in its grant request. She asked the board to take time to read the documents.

Mr. Mauer commented the Board of Education budget is moving along.

Mr. Blackketter made a motion to adjourn the meeting at 8:17 p.m.

# KENT MEMORIAL LIBRARY Read. Learn. Imagine.

The Kent Memorial Library is busier than ever, with close to 45,000 people visiting the library in 2015! It is an important Main Street cultural institution in the social fabric of our unique community treasured by those who live here and visit. It provides essential services, along with the fire department, schools, the police and social services. We help people and we save people money.

- The library brings commerce to town with its summer-long book sales and acts as a town business center for small business people and telecommuters who use the public computers, Wi-Fi, copier and fax machines for business research and to help them find jobs. Over 8,300 people used computers and Wi-Fi last year!
- It promotes early childhood literacy and a love of reading and lifelong learning for multiple generations of families in Kent. It coordinates with the schools and nursery schools to provide curriculum support. Programs range from baby Rhythm and rhyme group, weekly story times, Lego club, summer library camp, magic shows and scavenger hunts, homework help, safesitter training for teens, Teen quiz night and dinner and a movie for teens. 7,367 people attended library programs in 2015! Over 3,600 of those attending were children and teens!
- It is a social place besides home, school or work where teens can hang out, the homeless in town find shelter and free resources, senior citizens and the residents of Morningstar can walk over and feel welcome, and where literacy volunteers meet with their clients. Parents of young children meet and socialize during programs or while their children play in the Junior Room. Others chat while reading the newspapers and magazines or using the computers. Appalachian Trail hikers use the public computers to connect with friends and family, and like to chat with others after solitary stretches on the trail. They use the public bathrooms and use the library as a source of information about where to find things they need in town.
- It is a technology center where those in town who cannot afford computers, internet connections, copiers and fax machines come to use

- these resources for free. Free technology programs are offered on how to use iPhones, iPads, social media such as Facebook, online genealogy, and how to buy & sell on e-Bay sites.
- It is a cultural center with monthly art exhibits, book discussions, lectures, health and wellness programs, home repair and gardening programs, a chess club and a public bulletin board to find out about regional events and activities.
- Being a small library, belonging to a consortium is a benefit that gives us access to materials from libraries all over the state through interlibrary loan. We offer collections of children's books, the latest best sellers, and movies and books on CD are available for all ages. Over 31,700 items were borrowed last year! Borrowing saves people money.
- It's a fun and engaging place where volunteers enjoyed working over 5,000 volunteer hours in 2015!
- And last, but not least, the library provides <u>public bathrooms 6 days a</u> <u>week</u> to anyone.
- The library adds to the quality of life in Kent and reflects the values of families/children/seniors/and community and it gives so much back to our town!

HISTORICAL GROWTH OF THE LIBRARY in both buildings & services.

Kent Library Association, Inc. was <u>incorporated in 1915</u>. The building officially <u>opened in 1922</u>, an addition was built in <u>1958</u>, with another addition in <u>1994</u>. The firehouse/extension was built in 1952, owned by the library but leased to Kent Volunteer Fire Dept. until 2009, when they moved to a new building. We've gone from:

2,600 books people borrowed about 4,000 items annually

2015 29,795 books people borrowed 31,702 items, \*we now offer public computers, Wi-Fi, copier, fax, technology libraries never had before the 1980's.

An investment of an additional \$25,000 per year  $\div$  2,910 population of Kent = \$8.59 per year per capita  $\div$  52 weeks =  $16 \not\in$  per week per capita investment in the library. (Less than a cup of coffee).

Dear Bruce and Selectmen.

The Kent Memorial Library respectfully requests a grant of \$113,000 from the 2016-2017 Town of Kent budget. This represents a \$25,000 increase in its Town appropriation from the 2015-16 grant of \$88,000. The Library Board realizes that this is a significant increase in funding from the Town but believes that it is necessary and justifiable to enable the library to continue serving the people of Kent.

January 14, 2016

For the last few years, the library has experienced a budgetary shortfall of about \$10,000 each year that was backfilled with emergency savings that are quickly being depleted. In addition, the library will experience a loss of over \$15,000/year in income in the future due to the cessation of the car raffle. This popular fundraiser, a very labor-intensive effort, has had a successful 7-year run. Unfortunately, the volunteer who ran the raffle is no longer able to do it, and there is no replacement manager. Fundraising efforts, such as the car raffle, that are dependent on volunteers and good weather are unreliable sources of funding.

Capital needs for aging buildings and equipment are another source of financial problems. Since 2013, the library has sustained more than \$74,433 in capital costs for building and equipment replacement. None of these costs were part of the town's capital plan and were covered by the operating budget. These expenses included \$30,000 to replace the 1922 roof and gutters, \$18,378 for a new boiler, \$21,187 for technology upgrades, and \$4,868 for a new firehouse furnace.

Selectmen have requested an expanded list of association library comparisons to Kent. The State Library has provided the most up-to-date figures. Attached are spreadsheets with NW corner association libraries and all 77 CT association libraries in comparison to Kent. There are qualifiers that must be noted when comparing town appropriations vs. income. An example is the Torrington Library, which has a small town appropriation, but a \$22 million endowment fund to supplement their income. Washington, Norfolk, Salisbury, Sharon and Litchfield all have much more substantial endowments to supplement their town appropriations than does Kent.

As a member of the Chamber of Commerce, the Library plays a role in the town's economic development, as a community business center and in attracting commerce. The annual town grant is greatly appreciated and is critical to our ability to continue operating as the town's public library. The increased funding that the library is requesting will enable it to remain an indispensable and dynamic part of the town of Kent.

Sincerely,

Donna Miller, Library Director

**Historical:** Kent Library Association, Inc. was incorporated in 1915. The building officially opened on March 25, 1922. An addition was built in 1958, with another addition in 1994. The firehouse/extension was built in 1952, owned by the Library but leased to Kent Volunteer Fire Dept. until 2009, when the Fire Dept. moved to a new building.

1922 2,600 books circulated about 4,000 items annually

**1958** 8,000 books circulated 19,333 items

2015 29,795 books circulated 31,702 items, offer public computers, Wi-Fi, copy & Fax

Fundraising is to supplement the budget, not to replace it.

## **If Funding Passes**

- Library will remain open 43.5 hours per week
- Existing level of programming for children, teens and adults will continue
- Existing level of new books and materials will continue
- Maintain access to public computers and wireless Internet
- Maintain access to public copier and fax machine
- Maintain access to public bathrooms on Main Street
- Repair and maintain our historic building

## If Funding is Denied

- Cut hours to the bone –negative local economic impact because staff who work at the library may be forced to seek other employment
- Extensively cut programs for children, teens and adults—including Story Time for children and Homework Help
- Cut new materials including children's books, audiobooks and DVDs for all ages
- Cut access to public computers and wireless Internet
- Cut access to public copier and fax machine
- Cut access to public bathrooms on Main Street
- No repairs or maintenance of our historic building
