Board of Selectmen Regular Meeting

February 5, 2019 4:30 P.M. Town Hall

Present: Bruce Adams, Chris Garrity and Jeff Parkin.

Also present: David Bain, Catherine Bachrach, Darlene Brady, John Casey, Debbie Devaux, Lesly Ferris, John Grant, Donna Hayes, John Johnson, Hedy Kinney, Rick Osborne, Leah Pullaro, Elyse Sadtler and Lynn Worthington.

Mr. Adams called the meeting to order at 4:30 p.m.

The pledge was recited.

### **Public Communication**

Oral: Rick Osborne requested that the Board of Selectmen warn an Informational Hearing one hour prior to the Inland Wetland meeting, which this topic is on that agenda to be discussed, on February 25, 2019 at 6:00 p.m. to discuss the bridge project on Carter Road, per order of the of State of Connecticut as the project is being funded with State funds. Mr. Adams made a motion to warn an Informational Hearing on February 25, 2019 at 6:00 p.m. to present information on the rebuild of Carter Road bridge. Mr. Parkin seconded the motion and the motion carried.

Debbie Devaux asked the Board of Selectmen, "who in the Town is responsible for responding to the Census?" Mr. Adams stated that he did not know. Ms. Devaux added that someone should be in charge and that it is an important thing to do. Written:

Mr. Adams stated that there were three written reports:

- Request from Deidre Houliham DiCara, the executive Director of FISH.
- January 18, 2019 Letter from State of CT DOT Community Connectivity Grant
  Mr. Adams stated that he has responded to the State of Connecticut to confirm
  the Town's acceptance of the grant. Mr. Garrity asked if there would be any
  issues with the proposed Streetscape project, perhaps overlap? Mr. Adams
  stated that there would not be any issues with the two grants from two different
  sources. Mr. Garrity made a motion to accept the Community Connectivity Grant
  from the State of Connecticut, as presented. Mr. Parkin seconded the motion
  and the motion carried.
- February 1, 2019 Staff Report from Donna Hayes
- January 28, 2019 Grand List
- January 31, 2019 Senior activities Report form Lesly Ferris

# Sam Herrick – Region 1 – KCS Window Project

Mr. Adams stated that Sam Herrick sent an e-mail on January 29, 2019 stating that the State is requiring that the following motions be made by the Board of Selectmen for the Kent Center School Window Project.

Mr. Adams made a motion that the Town of Kent Board of Selectmen authorizes the Superintendent to apply for a grant for the Kent Center School Window Project. Mr. Parkin seconded the motion and the motion carried.

Mr. Adams made a motion that the Town of Kent Board of Selectmen establishes a building committee for the Kent Center School Window Project with the following members: Martin Lindenmayer, Bill Hurley, Mike VanValkenburg and Allan Priaulx. Mr. Garrity seconded the motion and the motion carried.

Mr. Adams made a motion that the Town of Kent Board of Selectmen authorizes the preparation of schematic drawings and outline specifications for the Kent Center School Window Project. Mr. Parkin seconded the motion and the motion carried.

Mr. Garrity made a motion that the Town of Kent Board of Selectmen approves the funding amount of \$380,675.72 for the Kent Center School Window Project as outlined on the attached spreadsheet, approved by the Kent Board of Selectmen. Mr. Parkin seconded the motion and the motion carried.

Lynn Worthington asked if it was a spend before you get reimbursed grant. Mr. Adams stated that he did not know.

# **Homeland Security Grant:**

Mr. Adams stated that he has been asked to sign the FFY 2018 FFY 2018 State Homeland Security Grant Program Region 5 Memorandum of Agreement. Mr. Adams stated that he asked Rick Lynn, the Executive Director of COG, for a brief explanation of the grant. Mr. Lynn's brief explanation included the following:

Each year DEMHS Region 5, which includes Kent, is allocated approximately \$300,000 in Homeland Security Grants and it is up to the local CEO to manage the funds based on allowable expenses including planning, training and selected equipment. As an example, the light towers shared by multiple towns. He added, in order to continue to receive these funds all 43 towns are required to sign the memorandum of agreement.

Mr. Garrity made a motion to approve it. Mr. Parkin seconded the motion and the motion carried.

### Recycling Ordinance:

Mr. Adams stated that the Recycling Ordinance needs to be updated per HRRA. Mr. Adams stated the Town Attorney and the HRRA Attorney have both reviewed the proposed document. Mr. Adams stated that he contacted Jenn Heaton-Jones of HRRA, and she would like to blend the Town's current ordinance and the new proposed ordinance. Ms. Heaton-Jones stated that she would attend the next BOS meeting.

### **P&R Summer Concert Series:**

Mr. Adams made a motion to accept The Kent Park and Recreation Commission request to use the front lawn at Town Hall on the following dates for its summer concert series:

June 27, 2019 July 18, 2019 July 25, 2019 August 1, 2019 Mr. Garrity seconded the motion and the motion carried.

### P&R Park's Master Plan:

Ms. Ferris and Mr. Grant stated that the Kent Park and Recreation Commission created a Parks' Master Plan Subcommittee. The Commission would like a representative from the Board of Selectmen and/or the Board of Finance to sit on the subcommittee. Mr. Adams volunteered.

# 2019-2020 Operating Budget:

Mr. Adams stated that the Board of Selectmen received the first draft of the 2019-2020 Proposed Budget Worksheet. He added that the worksheet is in a raw state and there may be some inaccuracies. He stated that he asked the treasurer some questions and she agreed to supply the supporting documentation for the request. Mr. Adams stated that not all departments have submitted their budget requests to date. The Board of Selectmen agreed to schedule budget meetings as follows:

- Thursday, February 7, 2019 at 9:15 a.m.
- Wednesday, February 13, 2019 at 1:00 p.m.
- Wednesday, February 20, 2019, no time set

Donna Hayes stated that she would need an evening meeting so that her Commission chairs could be present, as agreed upon by the Board of Selectmen. Leah Pullaro expressed concerns with the short notice of the first meeting and the inability to schedule several people to attend the meeting on her behalf. Debbie Devaux asked if there is some form of standards for the merit-based increases? Mr. Garrity stated that an employee should be prepared to come before the Board of Selectmen and present his/her request (salary request) and provide the rational. He added that at that point the Board of Selectmen will digest the information, but in his opinion they are not prepared to do performance evaluation. Mr. Parkin clarified that these meeting also should include operating budget information and not only salary requests. He added that any salary requests, whether merit based or across, the board could be looked at later. Joyce Kearns stated that the Board of Selectmen told employees during the Executive Session process of the Management Review that 2019/2020 salaries would be based on reviews that were conducted during January and February. Debbie Devaux agreed and added that no universal standards have been put in place to date. Mr. Adams stated would be true if this Board chose to go that way but there has been no decision made by this board to use merit pay. Mr. Parkin stated that they have not committed a merit increase to anyone. Mr. Garrity stated that they are still discussing it and that they are challenged with having to rush to get a system in place for this proposed budget. Donna Haves and John Johnson confirmed that the Board asked Lynn Werner to adjust the HVA review form for Mrs. Hayes' review, and the board agreed. Mr. Garrity stated that there may be a perception that that is the direction the Board was going to go in but there was no proclamation made by the Board of Selectmen. Mr. Adams stated that there have been many discussions but no decisions have been made.

Mrs. Hayes disagreed and asked for clarification; the only statements made by the Board of Selectmen that are valid are in the form of a motion? Mr. Adams affirmed that and stated that is how municipal government works. Mrs. Hayes expressed her opinion on how misleading this process has been. Mr. Garrity stated that the Board is looking for some rational of where salaries stand: COG salary survey, Management Review. He added that this process has prompted this discussion, which he believes is positive and that the directive that was given to employees, to bring their department heads in and discuss why an employee deserves an increase, is still warranted. Mr. Garrity asked what to do with an employee who has not requested an increase. Mr. Adams stated that he personally has not committed to merit based increase because he does not believe that the process will work in the Kent Town Hall. Mr. Garrity stated that anyone requesting a salary increase should have the person that oversees them present at the meeting.

Mrs. Ferris stated that she could meet but she would have to check with the chair. Mrs. Hayes requested a copy of the proposed budget.

### **Policy and Procedure Manual Update:**

Mr. Parkin stated that the Policy and Procedure Manual needs to be updated. He provided proposed language that is consistent with the recently adopted union contract for the "Opt-Out" policy. Mr. Adams stated that he would run the proposal by Town Attorney. Mr. Parkin stated that the update could be reviewed and discussed at the next meeting.

### **KVFD sub-committee:**

Mr. Garrity reported that KVFD has passed a budget. They brought to the sub-committee and will revise it. KVFD will be present at the BOS budget meeting. They now understand the Five-Year Capital Plan and are planning on creating a capital plan for some less expensive equipment; air packs. They are running at a surplus due to several nice donations. They have felt that this process has been very helpful.

Ms. Devaux stated that she has received the KVFD Tax Abatement list and asked if the Board of Selectmen would be approving it at the next meeting. Mr. Adams stated that he had not seen it as of yet.

# Western CT Clean Air Action – funding request:

Mr. Adams stated that the state has denied the request to pay for the air monitor via the TIP fund. Mr. Adams stated he sees there are two options to move forward:

- 1. Put it in as a one time grant request
- 2. Have the request in the budget as part of the Conservation Commission's request

Mr. Adams made a motion to include \$4,500 as a one-time grant for an air monitor. Mr. Parkin seconded the motion. It was stated that Western CT Clean Air Action is not set-up to accept funds and, therefore, the request cannot be paid directly to them as a grant. Mr. Adams stated that he would talk to the Conservation Commission about

adding the \$4,500 to its budget request. Mr. Adams withdrew his motion. Mr. Parkin withdrew his second.

# Ward Scholarship Fund:

Mr. Adams stated that he received a letter from Michelle Mott the Principal at Kent Center School stating that KCS agrees that the remaining funds from the Ward Scholarship be given to the KCS Scholarship Fund. Mr. Adams made a motion to transfer the Ward Scholarship funds to the KSC Scholarship Fund. Mr. Garrity seconded the motion and the motion carried.

### Streetscape:

Mr. Adams stated that after the January 17, 2019 he sees three options:

- 1. Do nothing
- 2. Go to another hearing
- 3. Go to referendum

Mr. Adams felt that the read of the room at the hearing was positive. Elyse Sadtler said she did a one-question survey on the Chamber website and received a 69% favorable response. She added that there were 94 responses in total. Ms. Sadtler stated that the question was — should Kent redo the sidewalks — yes/no. Mr. Parkin stated that the question was misleading, and he feels that there should be another hearing and a referendum. Mrs. Brady explained that there needs to be some clarification on the timing of the referendum following a hearing; if it is more than three or more weeks after the hearing, absentee ballots can be mailed; less than three weeks the voter (s) must be present and in person to receive an absentee ballot. Mr. Parkin feels that the first hearing was loaded in favor of an all or nothing project and did not provide the opportunity to discuss a less costly version of the project. He would like to see some options with the use of the two grants and capital money, totaling one million dollars. He is concerned with the future expenses with the new governor. Mr. Garrity transcribed the comments of people who spoke at the hearing:

- Most people agree the Town has to address the sidewalks
- Safety was the number one concern
- There were several opinions on the scope of investment and project
  - o Some agreed with whole project
  - o Some wanted to add more. Elizabeth and Lane Streets
  - o Some people want to focus on areas in need for safety
- Esthetics are not a big issue
- Materials used
- Cost analysis
  - o Investments vs. life use
  - o Investments vs. esthetics
- Cost impacts
- Requested more options
- Drainage
- Impact on businesses

- Handicap parking
- Safety if the Town does not do anything, the liability issue

Mr. Garrity stated his take away, there needs to be another hearing. He feels that there needs to be more explanation on how "we got here." Mr. Adams stated that he is researching and requested confirmation on the grants to see if the Town can use the grants if the Town does not do the complete proposed project and just spend the grant money to make repairs. He also is researching the possibility of an extension on the December 2019 deadline and what scope of work needs to be completed by said deadline. Mr. Garrity asked for that information to be in writing. The Board of Selectmen agrees that a second hearing should be scheduled. Mrs. Bachrach suggested holding the second hearing on a Saturday during the day. Mr. Garrity stated that he would like the Sidewalk sub-committee to make an effort to say there are problems with the sidewalks and what it would take to fix them today, where there are really liabilities. He is not convinced that a sub-committee is charged with going out and finding the best and be all, it might just be to get them fixed as best we can right now. He added that, because it has been stated publically that there are issues with sidewalks and they need improvement, if that is true and someone has a claim, that is a liability. Mr. Garrity clarified that his perspective to the sub-committee is if there is something that is a significant liability, we fix it now.

Mr. Parkin asked if the Board could schedule the referendum. Mrs. Brady stated that a Town Meeting needs to be warned to adjourn to a referendum but not until after the hearing. She added that this cannot be done until after the hearing to determine the proper wording for the vote. Mr. Garrity expressed his concerns with scheduling a Town Meeting until after the hearing to confirm that all the questions have been answered. Mr. Bain and Mr. Adams agrees that there would always be more questions. Mr. Garrity asked if the board should move to a referendum if, as an example, people had an issue with the lamp post, and Mr. Adams responded that if lamp post where a major concern, the project could move forward with the removal of or different lamp post. Mr. Garrity asked if the acceptance of the grant was based on the plan that was submitted in the grant application. Mr. Adams said no. Mr. Casey stated that the plan with all the trees and lights was not adopted. Mr. Casey stated that the committee has provided the Board of Selectmen a list of pricing, he referred to as a Chinese menu, and anyone could pick and choose what they wanted from the list. Mr. Parkin expressed his concern that there are an infinite number of combinations that could be extracted from that list. He stated that he specifically asked the sub-committee to make a recommendation if they only had \$500,000 to spend. Mr. Garrity stated that he believes that the sub-committee is on record stating they would not do the project if they only had \$500,000, because they would only be able to do one side of the road. He added that, in fact, is not an answer to the question. He said there is a sense that it is the whole project or nothing. Mr. Garrity stated that no one present wants that but they do want alternatives, and the sub-committee should present a plan with the one million dollars. Mr. Bain stated that the sub-committee did what was asked of them and presented a

plan that they supported based on their research, and the Board of Selectmen has the right to deny that recommendation and create a new plan to bring to the Town. Mr. Garrity reiterated that it is the public that expressed concerns with the proposed plan via the questions they asked. Mr. Bain stated that the committee does not feel that it is the right thing to do to come back with a new plan. Mr. Garrity stated that right there is the problem, and, if the sub-committee does not respond to the questions, the subcommittee puts the Board of Selectmen in a pickle. Mr. Johnson stated that the plan is to answer the questions at the next hearing. Mr. Casey expressed his concerns that two of the Selectmen are very suspicious and are stonewalling the project. He would like to have the referendum and get the information out to the Town and get on with it. Mr. Casey added that the board does not trust the sub-committee and the subcommittee does not trust the board. He added that they have been working on this for ten years. Mr. Garrity has concern with the sub-committee selling this project by going to the Informal Club and Lions Club. Mr. Casey stated that he was invited to speak at the Informal Club, and he feels that they need to get the information out there. Mr. Garrity stated that the information is available at meetings. Mr. Casey stated that the sub-committee has a point of view. Mr. Garrity clarified that the sub-committee's point of view should be the Board of Selectman's point of view. Mr. Casey disagreed. Mr. Garrity asked for the policy on sub-committees. Mr. Garrity stated that historically a sub-committee is formed by the BOS, completes a study, presents a recommendation to the BOS, it is acted upon or not, and the sub-committee is disband. Mr. Adams made a motion to warn an Informational Hearing on February 22, 2019 at 7:00 p.m. Mr. Garrity seconded the motion and the motion carried. Mr. Casey stated that he would confirm that date with the engineer.

### **Management Review:**

Mr. Garrity stated that with meeting with the departments that the Board of Selectmen needs to tell them what the Boards' sentiment is with respect to implementing anything merit wise based on the Management Review. He clarified that the Management Review concept was to do a number of things:

- 1. establish a program to implement some sort of a merit process going into budget season tomorrow, and they have no means in which to do that for 2019 The board agreed with that. Mr. Garrity added that they may do it and they may not, they have not agreed to it yet. He stated that he feels that they need to tell people that they do not have the time or the process to do that for the 2019 budget. Mr. Adams agree with that, however, he would be interested in considering some of the salary adjustment mentioned in the Management Review as they have merit. He noted that he is not and never will be an advocate of merit pay in Kent Town Hall. Mr. Parkin would like means to implement merit-based system at some point, a possible goal. Mr. Adams made a motion that this year as part of the budget deliberations we should:
  - 1. consider the points made in the Management Review as related to salaries in certain departments
  - 2. do not consider, for now, merit based pay
  - 3. continue to discuss across the board increase as has been done for years, based on something; cost of living, union negotiation

Mr. Garrity seconded the motion.

Mrs. Haves stated that she requested a motion be made so that everyone could understand where we are going. Ms. Devaux asked if the meeting would be in executive session, as she believes, that based on the motion made, they would not qualify. Mr. Garrity stated that some may qualify. Ms. Devaux added that Town Attorney confirmed that the Management review did not qualify for executive session. Mrs. Brady stated that they where specifically told that the Management Review was not utilized when the assistants' salaries were being adjusted, and it was not the role of the Board of Selectmen not to say they were going to use it for future decisions. She added how can the board continue to say use it, don't use it. Mr. Parkin stated that the Management review was used as guidance for the clerks/assistant issue. Mr. Adams stated that one thing that came out of the Management Review – it put it all out there with regards to the assistants. Mrs. Brady reiterated that she was told that the dollar amounts put forward in the Management Review scale would not be utilized in the discussion for the assistants' salary adjustment. Mr. Garrity stated that he believes the compensation that the assistants were receiving in other departments also was looked at to balance things out. Mr. Parkin agreed and added that the Board is not adopting "his" low/mid/high pay scale specifically. They will look at it, and they may decide that is the way they go, but there is nothing in that report that ever intended to just be implemented as acceptance of the report, it was meant to be used as guidance going forward. Mrs. Kearns asked in order for the Board of Selectmen to be fair and consistent, when they start meeting with people, and they start to discuss salaries, they need to let them know what platform that are using as a guideline. Mr. Garrity asked why? Mrs. Kearns stated so that the employees can be prepared. Mr. Garrity asked, does it have to be consistent? Mrs. Haves clarified that if the Board of Selectmen want the employees to come in and provide the criteria under which the Board of Selectmen are going to evaluate us, that is merit. Ms. Devaux stated that you couldn't have meritbased rates for one unless you have it for everyone. Mr. Adams stated that they are using the salary survey for the people specifically mentioned in the Management Review: Joyce, Donna, Rick, and Leah. He added that he would hope that employees would be pleased with an across-the-board increase but also be pleased that some of their colleagues received something that perhaps they should have received awhile ago. Mr. Garrity stated they are going to go with some type of a percent increase; they are not going with anything that was recommended by themselves, the Management Review or outside for a merit system. He added, that if a department comes with a salary adjustment request, they better come prepared with the back up to support that request, and it should fall in line with whatever salary survey is being used. Mr. Parkin stated that if the Board of Selectmen took the logic to never consider merit increases. an employee's salary would never vary except by a percentage every year and that would an illogical conclusion. Mr. Adams stated that if there is no way to justify an increase to the taxpayer even though he believes that they all deserve it. Mr. Garrity stated that if there is a survey that shows inequities, that is justification. Mr. Adams called for the vote. Mr. Adams and Mr. Parkin voted yes. Mr. Garrity voted no. The motion carried. Mr. Garrity stated he voted no because he feels that it is clear as what the Board of Selectmen are doing; they are using the Management Review; they are

looking at individual budget lines; they are considering the documentation proved by those who ask for a salary increase. He would like to confirm which salary schedule the Board of Selectmen are using so that when someone presents a request, he can confirm that it is within the range. Mr. Parkin clarified that he voted no because there was no need for a motion. Mr. Garrity confirmed. Mr. Adams stated that he would share the information on salary surveys that he has.

# "Providing the most basic of human needs... food, shelter & hope"

FISH • Friends In Service to Humanity of Northwestern Connecticut, Inc.

332 South Main Street Torrington, CT 06790 Office 860.482.7300 • Fax 860.489.4807 • info@fishnwct.org

January 10, 2019 Town of Kent Bruce Adams, First Selectman PO # 678 Kent, CT 06757

Dear Mr. Adams,

Knowing that it is budget time, please know that we would like to be considered for funding/a donation for the 2019 – 2020 fiscal year to help support the FISH NWCT 35 bed Homeless Shelter that serves our northwestern CT corner. In this past year, 102 homeless resided at the shelter, of which we placed 41 into permanent affordable housing. We provided them with safe housing, meals, clothing, medical and mental health assistance, case management, educational opportunities and life skills workshops, employment coaching and the hope of moving in to independent housing. Our diversity is age – currently 2 years old – seniors. I'm enclosing our FISH NWCT "year - end report card" for your perusal, which outlines our programs and services for the homeless and the hungry.

We believe FISH/Friends in Service to Humanity of Northwestern CT provides a great service to our greater NW CT community. As a non-profit organization, with the "Mission of providing the most basic of human needs — food, shelter and hope", we are in need of this financial support. State funding from the Department of Housing currently provides only approximately half of the cost of maintaining the FISH Shelter. Any potential budget cuts will be devastating to FISH NWCT. Our current budget to maintain the NW CT region's shelter services and food pantry is \$906,910 (of which \$298,000 is projected gifts-in-kind for the food pantry). Please consider us with a contribution to support our work of providing for the area's homeless population. I welcome community officials to visit FISH NWCT and take my "grand tour" to see firsthand for yourselves the amazing things happening under our roof in service to our neighbors in need.

Sincerely,

Deirdre Houlihan DiCara, Executive Director

# **Back to Basics**

# FISH OF NORTHWESTERN CONNECTICUT PROVIDES FOOD, SHELTER & SUPPORT TO NORTHWEST CORNER'S NEEDY

Walter Stuckey was being treated for depression at Charlotte Hungerford Hospital in Torrington when he learned that he'd have to go to a homeless shelter for his next bed. Stuckey had been a plumber for some 40 years. "I had a real good business, then I got sick with no insurance," he says. When they told him about the shelter, his first reaction was one of shock. "Ah, come on. I led a good life, you know?"

The hurt in Stuckey's voice captures some of the elemental parts of the way we think of homeless shelters in general. There is often an impression of them as dark, dank or horrid places, full of chaos. What Stuckey found when he arrived at the FISH house in Torrington, the local name for Friends in Service of Humanity of Northwestern Connecticut, surprised him. The shelter is not a horror. "I'm very happy to be here. ... The staff here is very good. Everybody gets along good," Stuckey says.

When people in Stuckey's situation arrive at the FISH house, they are met with a battery of services, connecting them to health care, employment, housing and mental health resources if they're needed. A doctor's office is on site, as well as an industrial kitchen. Though it is busy, the atmosphere is one of stability.

In 2016, 112 people went through the shelter, and just over 2,000 accessed the food pantry, according to Deirdre Houlihan DiCara, FISH's executive director. "We're here to believe in everybody that enters our doors. Everyone deserves a roof over their head and a good life," DiCara says.

The stability offered by the FISH shelter is crucial. Perhaps as much as the material needs of food, a warm bed and a shower, the atmosphere of support and calmness is vital to the people who rely on FISH's services. For many, the condition of homelessness that brings them to FISH's door is when they are at the bottom. The type of place they land when they hit bottom can shape the way they will recover. And this is the central paradox of FISH and many places like it: the ultimate goal for the organization is its own nonexistence, that the conditions which make homeless shelters and food pantries necessary would cease to be.

One of the most difficult structural challenges faced by the workers and clients at FISH is the lack of public transportation in the Northwest Corner, where buses to Hartford and Waterbury

might only run once a day. This means that for those without cars, employment opportunities or access to services elsewhere can be difficult or impossible to get to.

Occasionally, at Christmastime, Santa Claus appears with toys for children in the shelter. "We want to try to keep our kids as innocent as possible," DiCara says.

Around the end of 2016 into the beginning of 2017, state officials announced an "end" to chronic homelessness in the state. "Every verified, chronically homeless individual in the state of Connecticut has been matched with housing," Gov. Dannel P. Malloy said at the time. When asked about the pronouncement during a lunch at FISH house, several of the workers let out weary laughter, the kind that holds back sadness or anger. "It was very misleading, because it was 'chronic homeless.' There are always new homeless people. So we're full," DiCara says.

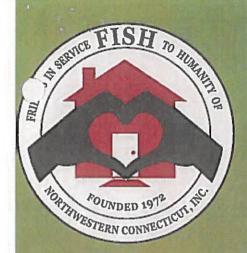

Chronic homelessness, says Earl Gibson, one of FISH's care managers, is defined as 365 consecutive days of homelessness, or four episodes in three years that total 365 days, in a place not meant for human habitation. Those bouncing around on couches of friends and family do not count.

A central message that the workers and clients at FISH make great effort to get across is that many of us are only one or two paychecks and an unforeseen medical bill away from homelessness. Put another way, the homeless are not too far away from us. "It could be me. I struggle every paycheck, too, and I've got a full-time job," says Margaret Franzi, the director of the food pantry.

Robin King, who does program and facility management at FISH, points to the constant increase in property taxes that are driving people from their homes. King has worked at FISH for 22 years, and says that things are much worse than when she started.

As always, the easiest way to help FISH is to cut a check. Apart from that, towels, bedding and blankets are among the most-needed items this winter. FISH is also looking for someone to donate a space where the organization can take in furniture donations.

"Providing the most basic of human needs... food, shelter & hope"

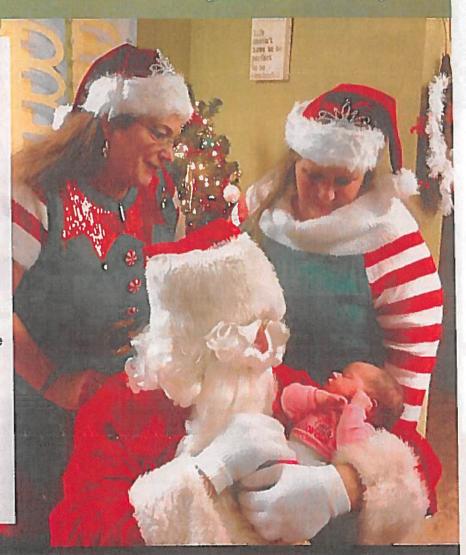

is the season to be grateful, and we at FISH/Friends in Service to Humanity of NWCT recognize that you, and your generosity, make it possible for us to focus on our mission of providing the most basic of human needs – food, shelter and hope at the FISH Food Pantry and FISH Homeless Shelter.

Your donations directly impact those neighbors in our communities in economic crisis and desperate need. Please know how much we appreciate your financial contributions, food item donations and support of our special events.

Amazing things are happening daily under our roof at FISH NWCT, which we now share with you in our 2017 – 2018 Year-End "Report Card."

With the generous support of our greater community, staff and volunteers at the FISH NWCT Food Pantry and Homeless Shelter – we do our best to provide some cheer, joy and hope to families in need during the holiday season.

In the past 5 years...

...At our "Rally Day to End Hunger and Homelessness in NWCT" — over 2,300 coats have been collected and distributed, with over 700 participating.

...Holiday meals at Thanksgiving and Christmas have been distributed to over 1,200 families; and toys to over 1,500 children.

...At our FISH Homeless Shelter, with current and former residents invited, we have celebrated two holidays, Thanksgiving and our "Cocoa and Cookies" Party with Santa – with at least 450 residents.

# Year-End Highlights

Amazing things have been happening under our roof at FISH NWCT. Recognizing five years of positive accomplishments led by Deirdre Howlihan DiCara, Executive Director and Steven Caruso, President -

CONNECTICUT Magazine, January 2018, featured FISH NWCT and our work with the hungry and the homeless.

2015 "Quality of Life" Award recipient from the NWCT Chamber of Commerce - 2016 recipient of the Diane Randall Leadership Award for our work to house chronically homeless Veterans

Deirdre has been recognized as the Register Citizen
Newspaper's 2015 "Person of the Year"; as one of the County's
"most influential people" by Litchfield Magazine; and with an
Alumni Award from The Gilbert School.

- FISH NWCT provides a low barrier Shelter, with the goal of moving homeless residents into permanent supportive housing.
- Selected by the VA to be a low demand homeless shelter for Vets.

Focused on funding operations, we have received nearly fifty grants to improve our services. We are thankful for each and every one, yet in particular should recognize the Northwest

Connecticut Community Foundation, CHEFA and the United Way of NWCT. Awards have ranged from a generator, to both a walk-in freezer and cooler, to flooring and building repairs and improvements, at both the Shelter and Food Pantry.

ve organized four annual "Rally Days to End Hunger and Homelessness in NWCT." Held in November - featuring an open house tour of FISH NWCT, a luncheon and coat giveaway (over 2,300), and a cardboard box sleep out.

Deirdre presents at state/national conferences and webinars.

Fund raisers held annually to support the FISH Food Pantry and Homeless Shelter -"A Tasteful Event" (ATE), and "Deck

the Halls", as well as some sponsored by others, such as the Center Congregational Church, Lakeridge community,..., and numerous food drives - for which we are very grateful.

We at FISH NWCT see daily the very human, social welfare challenges of families, individuals and veterans facing life crisis. We strive to restore the confidence and self-worth of those who are the most vulnerable and seek our help.

# STATE OF CONNECTICUT

DEPARTMENT OF TRANSPORTATION

January 18, 2019

Mr. Bruce Adams, First Selectman 41 Kent Green Boulevard Kent, CT 06757

Dear First Selectman Adams:

Subject: Community Connectivity Grant Program

It is my pleasure to inform you that additional funding was approved by the State Bond Commission on December 11, 2018, so your application for the Community Connectivity Grant Program (CCGP) has been approved. Congratulations on your Grant award, and many thanks for applying to this important Program, which will be administered by the Connecticut Department of Transportation (Department). Please remember that this award is based on the project that was submitted in your application; therefore, to receive these funds, no other project can be substituted.

I ask that you contact me no later than Friday, February 8, 2019 to confirm that your municipality wishes to accept the funding and proceed with the CCGP process. An e-mail response to the CCGP address <a href="CTDOT.CCGP@ct.gov">CTDOT.CCGP@ct.gov</a> is preferred. A confirmation letter sent to the address on this letterhead is also acceptable. If no response is received, we will presume you are no longer interested in participating.

It is also important to designate a point of contact (including their title, telephone number and email address) when you send in your confirmation so that we can communicate with this person as we advance in the project administration.

There are several steps (listed below) that need to be taken by both the Department and your Municipality, prior to the distribution of funds. Please do not proceed with any grant-funded work until all contracting items have been fully executed.

- The Department will initiate an Environmental Screening Review for each project
  to assist the Municipality in identifying items relative to natural resources,
  historical/archeological resources, hazardous/contaminated material, etc. that may
  need to be investigated or addressed during the design phase. The results will be
  forwarded to the Municipality, upon completion.
- The Department will issue a Commitment to fund letter, subsequent to your acceptance of this grant. This letter will outline the next steps for administration and conditions related to the use of these grant funds.
- An Information session will be scheduled in early spring to assist municipalities
  with project administration. We are currently selecting individual project managers
  for each approved application, and will provide you with that information once we
  receive confirmation of your acceptance.

Congratulations again, and we look forward to hearing from you soon! If you have any further questions, please feel free to contact me at 860-594-2132, or via email at <a href="https://creativecommons.org/linearing/c

Very truly yours,

Hi Joyce.

Thank you for following up on this important matter today. The State is requiring that the following motions be made by the Board of Selectmen. These motions which were made by the Board of Education and Board of Finance, respectively, were provided to the State several months ago with the attached minutes from the Board of Finance meeting where the BoF approved the funding for the project.

The State assures me that the project will be able to move forward as long as we get the certified minutes to them for each motion before February 7, 2019.

Please let me know if you have any questions or concerns.

Thank you.

Chairman Mark Sebetic called the meeting to order at 7 p.m.

Approval of Minutes: Mr. Blackketter made a motion to approve the minutes of the April 18, 2018 monthly meeting. Mr. McWhinney seconded the motion, and the motion was approved unanimously.

Mr. Blackketter made a motion to approve the minutes of the May 4, 2018 special meeting. Mr. Epstein seconded the motion, and the motion was approved unanimously.

Mr. Blackketter made a motion to approve the minutes of the May 18, 2018 special meeting. Mr. Epstein seconded the motion. Kent resident Peter Jensen said he is trying to find the results of the Town budget votes. Mr. Sebetic said the Town Clerk takes those minutes and presently the board is talking only about the minutes of the special meeting of the Board of Finance. Mr. Sebetic added he is not taking time of this board for something that is not this board's responsibility. The motion was approved unanimously.

Correspondence: There was no correspondence.

Reports: Tax Collector: Tax Collector Debbie Devaux shared a Grand Ratebook Balance Sheet Report, dated June 19, 2018 (attached). She noted 25 liens have been filed on 2016 real estate, leaving \$82,745 in uncollected real estate. Ms. Devaux said the current fiscal year's tax collection rate is 99.33%, the highest collection rate ever to which the board offered its collective "congratulations."

Ms. Devaux shared with the board that she has spoken with the auditor after being taken to task by the Board of Selectmen for contacting a bank before depositing a taxpayer's check. She proposes after speaking with the auditor and treasurer keeping \$2,500 in the Tax Collector checking account. Mrs. Herbst noted the Tax Collector's checking account does not have overdraft protection. Mr. Adams recounted the situation, noting this taxpayer's account was sent to collection after the Tax Collector learned from the bank that there weren't sufficient funds in the bank to cover the check. The taxpayer was sent to collection and was not notified. Mr. Sebetic said he disagrees with having a reserve in the account and would prefer the Tax Collector continue to call the bank. Mr. Adams commented he feels the taxpayer should have been the first phone call. Mr. Blackketter said he agrees with Mr. Sebetic. Mr. McWhinney commented he feels the taxpayer should have been notified. Mr. Sebetic added the Tax Collector should have

called the taxpayer before sending her account to collection. Ms. Devaux added that people who have bounced checks in the past will be required to pay in cash in the future.

Board of Education: Board chairman Martin Lindenmayer had no report.

Board of Selectmen: First Selectman Bruce Adams reported the following:

KVFD: I recently applied for a grant through First Light to purchase a flat bottomed boat for the KVFD. I received word last week that we were granted \$10,000 and First Light offered to work with a local marina to get one that will meet KVFD's needs.

Streetscape: The Committee has been meeting. \$500K grant in hand + 100K in capital plan. The Committee plans to report to BOS in July with a plan which will hopefully be sent by the BOS to a town meeting.

The work being done now is DOT work and could save us \$80,000

Union Contract: We are in negotiations at present. We hope to settle this week so we can get a reduced health insurance cost in place. Can't share details right now.

Management Review: We have met with Lee Palmer of Randi Frank Consulting. We hope to have the review started by July 1.

\$5,000 in budget, which RFC says will cover what we are seeking.

Mr. Adams also reported the Town is buying four "your speed is" programmable signs, using some Town Aid Road monies. He said the signs are solar operated and movable.

Mr. McWhinney asked if it would be possible for the road crew foreman to come up with a color coded map of the Town's bridges to show which bridges have been upgraded; which need to be done in the next 10 years and the rest of the bridges.

Treasurer: Treasurer Barbara Herbst presented the Town of Kent Actual vs. Budget report for July 2017 through June 19, 2018 (attached). Mrs. Herbst reported the Town this week received the balance of the Town Aid Road money and the \$20,000 from Marvelwood toward the cost of the Resident State Trooper. Mrs. Herbst said the preliminary audit field work is done. She also reported OPM found a typo in the audit for FY2017 in a sewer schedule, which the auditor has corrected and filed.

Mrs. Herbst also presented budget transfers which were approved by the Board of Selectmen (attached). Mr. McWhinney made a motion to approve the budget transfers, dated May 1, 2018. Mr. Blackketter seconded the motion, and the motion was approved unanimously.

The treasurer reported the Town's worker's comp premium through CIRMA is going down by 3% for the new fiscal year, saving the Town \$3,000. She also noted the land use officer has let the treasurer know a lawsuit has been filed against ZBA.

Mr. McWhinney questioned if town governments can split the Town and local education budgets for voting. Mrs. Herbst said she doesn't have that answer. Mr. Epstein suggested talking to falls Village. Mr. Lindenmayer said he would be a proponent of being able to vote separately. Mr. Jensen said he would like to see this too.

Five-Year Capital Plan: KCS Window Project Request: Mr. Lindenmayer said the State aid for this type of project makes it advantageous to apply. Mr. Lindenmayer said the architect is important for the paperwork, funding and oversight of the proposed project. Mr. Epstein made a motion that the Board of Finance approve the request by the Kent Board of Education to take the action of depositing into a non-lapsing account, for the specific purpose of funding the KCS Window Project, funds totaling up to \$60,000 from the FY2017-2018 KCS budgeted appropriation for education for the town, pursuant to State of Connecticut Statute 10-248a. Mr. Blackketter seconded the motion, and the motion was approved unanimously.

Mr. Epstein made a motion that the Board of Finance approve the request by the Kent Board of Education to appropriate \$100,000 from the Five-Year Capital Plan Reserve (GL #32000) to the Capital Project KCS Windows project (GL #316110), and subsequent funding for this project showing in FY 2021 in the Five-Year Capital Plan be assigned to replenish the Five-Year Capital Reserve (GL #32000). Mr. Blackketter seconded the motion, and the motion was approved unanimously.

FY2019 Budget: Ms. Devaux commented tax bills would be going out Monday.

Comments from Public and Invited Guests: Mr. Jensen urged the Board of Finance to voice a suggestion that the vote by hand at the Annual Budget Meeting be reported accurately in the minutes of that meeting.

Mr. Blackketter made a motion to adjourn the meeting at 8:07 p.m.

The Kent Center School Board of Education held a special meeting on Friday, July 6<sup>th</sup>, 2018 at 2:00 pm in the Kent Center School Principal's Office. Present were: Chairman Martin Lindenmayer, Vice Chairman Gonzalo Garcia-Pedroso, Rob Ober (via phonecon), Melisa Cherniske, and Principal Michelle Mott. Also present was Lynn Worthington, member of the press.

Call to order - Martin Lindenmayer called the meeting to order at 2:02pm.

- 1) First order of business was the recommendation from Principal Michelle Mott for the hiring of a 2<sup>nd</sup> Grade and 4<sup>th</sup> Grade teacher. Michelle read the credentials of each candidate and provided input on their experience and recommendations from references.
- 2) The first teacher was Casey Burke, recommended for 2<sup>nd</sup> Grade at a BA-1 level hire. Melissa made a motion, seconded by Gonzo, to approve the hiring of Ms. Burke; motion was approved unanimously (4y-0n-0a).
- 3) Second teacher was 4<sup>th</sup> Grade candidate Laurabeth Davidson, recommended at a BA-4 level hire. Melissa made a motion, seconded by Gonzo, to approve the hiring of Ms. Burke; motion was approved unanimously (4y-0n-0a).
- 4) Next order of business was the discussion and approval of the following Items related to the KCS Window Replacement Project:
  - a) Establish a building committee for the KCS window project. Marty explained that the current KCS Building Committee consisting of himself, KCS Facilities Manager Bill Hurley, and Mike VanValkenburg, would expand to add one more member, Allan Priaulx, former KCS Board member. This was the recommended Building Committee to oversee the Window Project. Melissa made a motion, seconded by Gonzo, to approve this Building Committee; Motion was approved unanimously (4y-0n-0a).
  - b) Authorize the preparation of schematic drawings and outline specifications for the windows. Melissa made a motion, seconded by Gonzo, to approve the preparation of schematic drawings and outline specifications. Discussion occurred regarding the ability of KCS Faculty, Staff, Parents and the Kent Community at large to be made aware of and comment on the selection of windows that were ultimately recommended for installation. The motion was approved unanimously (4y-0n-0a).
  - c) Authorize the filing of the grant application: Melissa made a motion, seconded by Gonzo, to authorize the filing of the grant application, motion was approved unanimously (4y-0n-0a).

- d) Approval of the educational specifications: Melissa made a motion, seconded by Gonzo, to approve the educational specification, motion was approved unanimously (4y-0n-0a).
- 5) Adjourn: A molion was made by Melissa Chemiske and seconded by Gonzo to adjourn the meeting at 2:18pm, approved unanimously.

Respectfully Submitted,

Martin J. Lindenmayer

Mr. Blackketter made a motion to approve the minutes of the May 18, 2018 special meeting. Mr. Epstein seconded the motion. Kent resident Peter Jensen said he is trying to find the results of the Town budget votes. Mr. Sebetic said the Town Clerk takes those minutes and presently the board is talking only about the minutes of the special meeting of the Board of Finance. Mr. Sebetic added he is not taking time of this board for something that is not this board's responsibility. The motion was approved unanimously.

Reports: Tux Collector: Tax Collector Debbie Devaux shared a Grand Ratebook Balance Sheet Report, dated June 19, 2018 (attached). She noted 25 liens have been filed on 2016 real estate. leaving \$82,745 in uncollected real estate. Ms. Devaux said the current fiscal year's tax collection rate is 99.33%, the highest collection rate ever to which the board offered its collective "congratulations."

Ms. Devoux shared with the board that she has spoken with the auditor after being taken to task by the Board of Selectmen for contacting a bank before depositing a taxpayer's check. She proposes after speaking with the auditor and treasurer keeping \$2,500 in the Tax Collector checking account. Mrs. Herbst noted the Tax Collector's checking account does not have overdraft protection. Mr. Adams recounted the situation, noting this taxpayer's account was sent to collection after the Tax Collector learned from the bank that there weren't sufficient funds in the bank to cover the check. The taxpayer was sent to collection and was not notified. Mr. Sebetic said he disagrees with having a reserve in the account and would prefer the Tax Collector continue to call the bank. Mr. Adams commented he feels the taxpayer should have been the first phone call. Mr. Blackketter said he agrees with Mr. Sebetic, Mr. McWhinney commented he feels the taxpayer should have been notified. Mr. Sebetic added the Tax Collector should have

Air. McWhinney questioned if town governments can split the Town and local education budgets for voting. Mrs. Herbst said she doesn't have that answer. Air. Epstein suggested talking to Falls Village. Mr. Lindenmayer said he would be a proponent of being able to vote separately. Mr. Jensen said he would like to see this too.

Five-Year Capital Plan: KCS Window Project Request: Mr. Lindenmayer said the State aid for this type of project makes it advantageous to apply. Mr. Lindenmayer said the architect is important for the paperwork, funding and oversight of the proposed project. Mr. Epstein made a motion that the Board of Finance approve the request by the Kent Board of Education to take the action of depositing into a non-lapsing account, for the specific purpose of funding the KCS Window Project, funds totaling up to \$60,000 from the FY2017-2018 KCS budgeted appropriation for education for the town, pursuant to State of Connecticut Statute 10-248a. Mr. Blackketter seconded the motion, and the motion was approved unanimously.

Mr. Epstein made a motion that the Board of Finance approve the request by the Kent Board of Education to appropriate \$100,000 from the Five-Year Capital Plan Reserve (Gl. #32000) to the Capital Project KCS Windows project (GL #316110), and subsequent funding for this project showing in FY 2021 in the Five-Year Capital Plan be assigned to replenish the Five-Year Capital Reserve (Gl. #32000). Mr. Blackketter seconded the motion, and the motion was approved unanimously.

FY2019 Budget: Ms. Devaux commented tax bills would be going out Monday.

Comments from Public and Invited Guests: Mr. Jensen urged the Board of Finance to voice a suggestion that the vote by hand at the Annual Budget Meeting be reported accurately in the minutes of that meeting.

Mr. Blackketter made a motion to adjourn the meeting at 8:07 p.m.

# III. GENERAL TERMS OF AGREEMENT APPLICABLE TO ALL PARTS OF THIS MEMORANDUM OF AGREEMENT

#### A. Effective Date.

The terms of this agreement will become effective when all parties have executed it.

#### B. Authority to Enter Agreement.

DESPP/DEMHS is authorized to enter into this Agreement through the Deputy Commissioner of the DESPP/DEMHS pursuant to the authority provided under Connecticut General Statutes §4-8 and Titles 28 and 29. The Municipality of KENT is authorized to enter into this agreement through its Chief Executive Officer, authorized pursuant to the attached [original or certified copy of resolution, ordinance or charter provision]. The other persons executing this Memorandum of Agreement (MOA) on behalf of their respective entities hereby represent and warrant that they have the right, power, legal capacity, and appropriate authority to enter into this agreement on behalf of the entity for which they sign, as indicated by valid resolutions, if necessary.

#### C. Duration of Agreement.

Part I of this MOA, as modified with the consent of the parties, remains in full force and effect until the end of the grant period, or any extension thereof, covered by this MOA, unless cancelled by the SAA, giving written notice of such intention at least thirty (30) days in advance. Any party may terminate its involvement with Part II of this agreement upon sixty days' written notice to the other parties. DESPP/DEMHS reserves the right to cancel any funding under this MOA without prior written notice when the funding is no longer available.

#### D. Amendment of the Agreement.

This agreement may be modified upon the mutual written consent of the parties.

#### E. Litigation.

The Parties agree to good faith consultation with one another to resolve disagreements that may arise under or relating to this MOA before referring the matter to any other person or entity for settlement. The Parties agree that any disputes under Part II, Paragraph C.6 shall be resolved by DEMHS. The Parties also agree that the sole and exclusive means for the presentation of any claim against the State, including the SAA, arising from this agreement shall be in accordance with Chapter 53 of the Connecticut General Statutes (Claims Against the State) and the Parties further agree not to initiate legal proceedings in any State or Federal Court in addition to, or in lieu of, said Chapter 53 proceedings.

#### F. State Liability.

The Parties agree to indemnify and hold harmless the State of Connecticut with regard to the activities described within this MOA, and recognize that the State does not waive its right to sovereign immunity with regard to any provision of this MOA. The State of Connecticut assumes no liability for funding under the terms of this MOA until KENT , through the Region 5 REPT, is notified by the SAA that this MOA has been approved and executed by DEMHS and by any other applicable state agency.

#### J. Executive Orders.

This contract is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill promulgated June 16, 1971, and, as such, this contract may be cancelled, terminated or suspended by the State Labor Commissioner for violation of or noncompliance with said Executive Order No. Three, or any State or federal law concerning non-discrimination, notwithstanding that the Labor Commissioner is not a party to this contract. The parties to this contract, as part of the consideration hereof, agree that said Executive Order No. Three is incorporated herein by reference and made a part hereof. The parties agree and abide by said Executive Order and agree that the State Labor Commissioner shall have continuing jurisdiction in respect to contract performance in regard to non-discrimination, until the contract is completed or terminated prior to completion. KENT agrees, as part consideration hereof, that this contract is subject to the Guidelines and Rules issued by the State Labor Commissioner to implement Executive Order No. Three, and that it will not discriminate in its employment practices or policies, will file all reports as required, and will fully cooperate with the State of Connecticut and the State Labor Commissioner. This contract is also subject to the provision of Executive Order No. 16 of Governor John G. Rowland promulgated August 4, 1999 adopting a zero tolerance policy for workplace violence, and as such, this contract may be cancelled terminated or suspended by the State for violation of or noncompliance with said Executive Order No. Sixteen. The parties to this contract, as part of the consideration hereof, agree that said Executive Order No. Sixteen is incorporated herein by reference and made a part thereof. The parties agree to abide by such Executive Order. The contract is also subject to provisions of Executive Order No. Seventeen of Governor Thomas J. Meskill promulgated February 15, 1973, and, as such this contract may be cancelled, terminated or suspended by the contracting agency or the State Labor Commissioner for violation of or non-compliance with said Executive Order No. Seventeen, notwithstanding that the Labor Commissioner may not be a party to this contract. The parties to this contract, as part of the consideration hereof, agree that Executive Order No. Seventeen is incorporated herein by reference and made a part hereof. The parties agree to abide by such Executive Order and agree that the contracting agency and the State Labor Commissioner shall have joint and several continuing jurisdiction in respect to contract performance in regard to listing all employment openings with the Connecticut State Employment Service. This contract may also be subject to Executive Order No. 14 and Executive Order No. 49. Exective Order of Governor M. Jodi Rell, promulgated April 17, 2016, concerning procurement of cleaning products and services. Excutive Order No. 49 of Governor Dannel P. Malloy, promulgated May 22, 2015, mandating disclosure of certain gifts to public employees and contributions to certain candidates for office in accordance with their respective terms and conditions.

#### K. Non-Discrimination Clause.

In accordance with Public Act 88-351, the Town agrees and warrants that, (a) For the purposes of this section, "minority business enterprise" means any small grantee or supplier of materials fifty-one percent or more of the capital stock, if any, or asset(s) of which is owned by person or persons: (1) Who are active in the daily affairs of the enterprise, (2) who have the power to direct the management and policies of the enterprise and (3) who are members of a minority, as such term is defined in subsection (a) of Conn. Gen. Stat. Sect. 32-9n; and "good faith" means that degree of diligence which a reasonable person would exercise in the performance of legal duties and obligations. "Good faith efforts" include, but not be limited to, those reasonable initial efforts necessary to comply with statutory or regulatory requirements and additional or substituted efforts when it is determined that such initial efforts will not be sufficient to comply with such requirements.

For purposes of the section, "Commission" means the Commission on Human Rights and Opportunities. For purposes of this section, "Public works contract" means any agreement between any individual, firm or corporation and the State or any political subdivision of the State other than a municipality for construction, rehabilitation, conversion, extension, demolition or repair of a public building, highway, or other changes or improvements in real property, or which is financed in whole or in part by the State, including but not limited to, matching expenditures, grants, loans, insurance or guarantees. The Town agrees and warrants that in the performance of the contract such Town will not discriminate or permit discrimination against any person or group or persons on the grounds of race, color, religious creed, age, marital status, national origin, sex, mental retardation or physical disability, including but not limited to, blindness, unless it is shown by such Town that such disability prevents performance of the work involved, in any manner prohibited by the laws of the United States or of the State of Connecticut.

The Town further agrees to take affirmative action to insure that applicants with job related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, or physical disability, including, but not limited to, blindness, unless it is shown by such Town that such disability prevents performance of the work involved: the Town agrees, in all solicitations or advertisements for employees placed by or on behalf of the Town, to state that it is an "affirmative action - equal opportunity employer" in accordance with the regulations adopted by the Commission: the Town agrees to provide each labor union or representative of workers with which such Town has a collective bargaining agreement or other contract of understanding and each vendor with which Town has a contract of understanding, a notice to be provided by the Commission advising the labor union of workers' representative of the Town's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; the Town agrees to comply with each provision of this section and Conn. Gen. Stat. Sect. 46a-68f and with each regulation or relevant order issued by said Commission pursuant to Conn. Gen. Stat. Sect. 46a-56, as amended by Section 5 of Public Act 89-253, 46a-68e and 46a-68f; the Town agrees to provide the Commission of Human Rights and Opportunities with such information requested by the Commission, permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the Town as related to the provisions of this section and section 46a-56. If the contract is a public works contract, the Town agrees and warrants that he will make good faith efforts to employ minority business enterprises as subgrantees and suppliers of materials on such public works project.

Determination of the Town's good faith efforts shall include but shall not be limited to the following factors: The Town's employment and subcontracting policies, patterns and practices; affirmative advertising, recruitment and training; technical assistance activities and such other reasonable activities or efforts as the Commission may prescribe that are designed to ensure the participation of minority business enterprises in public works projects.

The Town shall develop and maintain adequate documentation, in a manner prescribed by the Commission, of its good faith efforts.

The Town shall include the provisions of subsection (b) of this section in every subcontract or purchase order entered into in order to fulfill any obligation or a contract with the State and such provisions shall be binding on a subgrantee, vendor or manufacturer, unless exempted by regulations or orders of the Commission. The Town shall take such action with respect to any such subcontract or purchase order as the Commission may direct as a means of enforcing such provisions including sanctions for non-compliance in accordance with Conn. Gen. Stat. Sect. 47a-56, as amended by Section 5 of Public Act 89-253; provided, if such Town becomes involved in, or is threatened with litigation with a subgrantee or vendor as a result of such direction by the Commission, the Town may request the State of Connecticut to enter into any such litigation prior thereto to protect the interest of the State and the State may so enter

The Town agrees to comply with the regulations referred to in this section as they exist on the date of this contract and as they may be adopted or amended from time to time during the term of this contract and any amendments thereto.

Pursuant to Public Act 89-227, as amended, as of January 1, 1991, no agency of the State of Connecticut may purchase new products packaged in or composed in whole or part of polystyrene foam if such foam is manufactured using chlorofluorocarbons (CFC). Manufacturers are required by the Act to provide information regarding the CFC content of polystyrene foam used in such products or packaging to any person selling the product who requests such information. By submitting an offer to sell to or accepting an order from the State of Connecticut the vendor certifies that no CFC are used in the manufacture of polystyrene foam contained in such products or packaging.

#### L. Non-discrimination on the Grounds of Sexual Orientation.

- The Town agrees/warrants that in the performance of the contract such Town will not discriminate or permit discrimination against any person or group of persons on the grounds of sexual orientation, in any manner prohibited by the laws of the United States or of the State of Connecticut, and that employees are treated when employed without regard to their sexual orientation.
- 2. The Town agrees to provide each labor union or representative of workers with which such Town has a collective bargaining agreement or other contract or understanding and each vendor with such Town has a contract or understanding and each vendor with which such Town or understanding, a notice to be provided by the Commission on Human Rights and Opportunities advising the labor union or workers' representative of the Town's commitments under this section, and to post

copies of the of the notice in conspicuous places available to employees and applicants for employment;

- The Town agrees to comply with each provision of this Section and Sections 46a-68f of the General Statutes and with each regulation or relevant order issued by said Commission pursuant to Sections 46a-56, 46a-68e and 46a-68f of the General Statutes;
- 4. The Town agrees to provide the Commission on Human Rights and Opportunities with such information requested by the Commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the Town as related to the provisions of this section and Section 46a-56 of the General Statutes.
- 5. The Town shall include the provisions of paragraph (1) of this addendum in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the State and such provisions shall be binding on a subgrantee, vendor or manufacturer unless exempted by regulations or orders of the Commission. The Town shall take such actions with respect to any such subcontract or purchase order as the Commission may direct as a means of enforcing such provisions including sanctions for non-compliance in accordance with Section 46a-56 of the General Statutes; provided, if such Town becomes involved in, or is threatened with, litigation with a subgrantee or vendor as a result of such direction by the Commission, the Town may request the State of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the State and the State may so enter.

#### SOLID WASTE AND RECYCLING

#### I. Recitals

- a. Since the adoption by [Name of Town or City] of its current ordinances concerning regulation of the collection and disposal of municipal solid waste and its program for recycling of items of certain solid waste, the State of Connecticut has amended its statutes, regulations and statewide solid waste management plan on numerous occasions and the Housatonic Resources Recovery Authority ("HRRA") has revised the provisions of its Regional Solid Waste Disposal and Recycling System that serves as the regional solid waste management plan. Participation by [Name of Town or City] in HRRA's Regional Solid Waste Disposal and Recycling System satisfies the requirements of Section 22a-220(a) of the Connecticut General Statutes that [Name of Town or City] make provisions for the safe and sanitary disposal of all "acceptable solid wastes," as defined in the ordinance below, which are generated within its boundaries.
- b. Those amendments by the State of Connecticut and revisions by HRRA have, among other things, increased the statewide goal for reducing the amounts of solid waste disposed of, expanded the list of items designated to be recycled, increased the amounts of materials targeted for recycling in the future in relation to amounts of solid waste to be disposed of, and adopted provisions requiring municipalities to register and collect specific data from all collectors of solid waste and recyclable materials generated within the respective municipalities.
- c. The [Adopting Body] of [Name of Town or City] has determined that the public health, safety and welfare of the citizens of [Name of Town or City] will be best served by the adoption of the following ordinance concerning regulation of the collection and disposal of municipal solid waste and its program for recycling of items of solid waste to reflect the applicable revisions of the State of Connecticut's statutes, regulations and statewide solid waste management plan.
- d. It is the intention of the [Adopting Body] of [Name of Town or City] that the provisions of the following ordinance be interpreted in such a manner as to provide to [Name of Town or City], to the greatest extent contemplated in Chapter 446d of the Connecticut General Statutes, the means to reduce the amounts of solid waste generated within [Name of Town or City] and disposed of as solid waste and to increase the amounts of items of such solid waste recycled in accordance with the statutes and regulations of the State of Connecticut.
- e. It is also the intention of the [Adopting Body] of [Name of Town or City] that the adoption of the provisions of the following ordinance and the participation of [Name of Town or City] as a Member in HRRA's Regional Solid Waste Disposal and Recycling System, [Name of Town or City] demonstrates its progress in planning and program implementation designed to achieve the State of Connecticut's goals of diverting materials from solid waste disposal.

#### II. General

The provisions adopted hereby shall apply, effective on and after [Effective Date], notwithstanding any existing provisions of the ordinances of the [Name of Town or City] to the contrary notwithstanding, and any such contrary provisions are hereby repealed [amended?]. [It may be advisable to identify specific sections of the existing ordinances to be repealed. It also may, alternatively or in addition, be advisable to insert the following provisions, as and where applicable, as amendments to existing ordinance provisions.]

#### III. Registration of Collectors of Solid Waste Generated in [Name of Town or City]

- a. As used in this ordinance, "collector" means any person who holds himself out for hire regularly to collect, or who actually collects, solid waste from residential, business, commercial or other establishments, and "person" means any individual, firm, partnership, association, syndicate, company, trust, corporation, limited liability company, municipality, agency or political or administrative subdivision of the State of Connecticut, or other legal entity of any kind. "Collector" does not include: (1) Any person who collects and transports septic tank pumpings, and (2) any person who transports used materials for the purpose of delivering such materials to a charitable organization that distributes reused household items or to a retail facility that sells reused household items.
- b. (1) Any collector hauling solid waste generated by residential, business, commercial or other establishments, including, but not limited to, recyclables generated within the borders of [Name of Town or City], shall register and apply for a permit annually as directed by the [identify municipal officer to be in charge] or his or her designee and disclose: (A) The name and address of the collector and the owner of such collection company; (B) the name of any other municipality in which such collector hauls such solid waste, including recyclables; (C) whether the hauling done by such collector is residential, commercial or other; (D) the types of waste hauled; (E) the anticipated location of any disposal facilities or end users receiving recyclable solid waste; and (F) any additional information that such [identify municipal officer to be in charge] or his or her designee requires to enhance the health and safety of the residents of [Name of Town or City]. No person may act as a collector in [Name of Town or City] without maintaining an active permit issued pursuant hereto, and no person may drive a solid waste collection vehicle to collect solid waste in [Name of Town or City] without demonstrating that such person has a valid license issued by the State of Connecticut to drive such vehicle. It shall be a condition of such registration and permit that any such collector agrees to comply with (i) all provisions of this ordinance and Chapter 446d of the Connecticut General Statutes applicable to collectors, and all other requirements set forth in the application for such permit,

which agreement to comply shall be contained in all annual registrations and permit applications.

- (2) Any such collector shall report to the [identify municipal officer to be in charge] or his or her designee (A) the types of solid waste, including recyclables, as listed in subsection (c) of section 22a-208e of the Connecticut General Statutes, as it may be amended from time to time, generated within the borders of [Name of Town or City and collected by such collector, (B) the name, location and contact information for the first destination where such solid waste, including recyclables, was delivered by the collector during the previous fiscal year, and (C) the types and actual or estimated amounts of such solid waste, including recyclables, directly delivered to (i) an out-of-state destination, (ii) an end user or manufacturer in Connecticut, or (iii) any other location in Connecticut not maintaining an active permit as a solid waste facility issued by the Connecticut Department of Energy and Environmental Protection. Such reports shall be submitted to the [identify municipal officer to be in charge] or his or her designee annually, on or before July thirty-first, and shall provide the information specified in this subdivision for the prior fiscal year of the State of Connecticut. Such reports shall be on a form prescribed by the Connecticut Commissioner of Energy and Environmental Protection and shall include any other additional information the commissioner and/or HRRA deems necessary.
- c. [Municipality should provide here for an annual registration fee to be set by the municipality no later than [April 30?] each year and, among other things, (1) authorize the imposition of an increase of the fee to an amount twice the disclosed fee if the registration and permit application of the collector is not filed timely in accordance with (b)(1) above, (2) authorize HRRA to retain the amount of any increase collected as a result of a late filing, and (3) provide for a proration of the registration fee for a new collector applying for a registration and permit for new collection service to be begun after December 31 in any fiscal year.]
- d. Upon the effective date hereof, HRRA shall be the initial designee of the [identify municipal officer to be in charge] as regional agent to: (i) process and receive the collector registrations and reports set forth in subsections III(b)(1) and (2) above, (ii) collect the fees established in subsection III(c) above, (iii) provide notices to collectors concerning the recycling requirements of [Name of Town or City] as set forth in subsection IV(b) and Section V below, and (iv) receive notices from collectors concerning persons suspected of discarding recyclable items mixed with solid waste.

# IV. <u>Designation of the Location for the Disposal of of Acceptable Solid Waste and</u> Processing of Recyclables

- a. The place where acceptable solid waste generated within the boundaries of [Name of Town or City] by residential, business, commercial or other establishments may [shall for Newtown and Ridgefield only] be disposed is [for those municipalities other than Newtown and Ridgefield] the Solid Waste Transfer Station designated by HRRA and operated under contract as part of its Regional Solid Waste Disposal and Recycling System [or] [for Newtown and Ridgefield] the [Newtown] [Ridgefield] Transfer Station, located [give address of applicable transfer station] operated under contract as part of HRRA's Regional Solid Waste Disposal and Recycling System. For the purposes of this section "acceptable solid waste" shall mean [definition to be completed after new agreements are reached for the provision of service after June 30, 2019].
- b. The place where curb-side collected items designated for recycling by Connecticut statute, regulation, the Statewide Solid Waste Management Plan (including without limitation the 2016 Comprehensive Materials Management Strategy), or by HRRA, all as may be amended or updated from time to time, generated within the boundaries of [Name of Town or City Not applicable for Ridgefield] by residential, business, commercial or other establishments may [shall for Newtown] be taken for processing or sale elsewhere is the recyclable materials processing facility operated under contract as part of HRRA's Regional Solid Waste Disposal and Recycling System. [Ridgefield may wish to make provision here for treating recyclables in accordance with its own program.]

#### V. Recycling

- a. Each person who generates solid waste from residential property shall separate from other solid waste items designated for recycling by Connecticut statutes, regulations or orders of the Commissioner of Energy and Environmental Protection.
- b. Every person who generates solid waste from property other than residential property shall make provision for and cause the separation from other solid waste of such items designated for recycling pursuant to subsection (a) of this section above through the use of one or more collection containers for designated items that are separate from collection containers for other solid waste.
- c. Any collector who has reason to believe that a person from whom he collects solid waste has discarded recyclable items with such solid waste in violation of said subsections (a) or (b) shall promptly notify [identify municipal officer to be in charge] or his or her designee of the alleged violation. Upon the request of

[identify municipal officer to be in charge] and his or her designee, a collector shall provide a warning notice, by tag or other means, to any person suspected by the collector or [identify municipal officer to be in charge] and his or her designee of violating separation requirements. A collector shall also assist [identify municipal officer to be in charge] or his or her designee to identify any person responsible for creating loads containing significant quantities of recyclable items mixed with solid waste which are delivered to a resources recovery facility or solid waste facility by the collector and detected by the owner or operator of such facility.

- d. Recycling Receptacles at Common Gathering Venues (i) for the purpose of this section, "Generated" means sold or given away at a common gathering venue; and "Common gathering venue" means any area or building located in [Name of Town or City, or portion thereof, that is open to the public, including but not limited to, any (A) building that provides facilities or shelter for public assembly, (B) inn, hotel, motel, sports arena, supermarket, transportation terminal, retail store, restaurant or other commercial establishment that provides services or retails merchandise, of (C) museum, hospital, auditorium, movie theater or university building; (ii) It shall be the responsibility of the owner of each common gathering venue where designated recycling items may be generated while the public congregates at such venue and that provides for the collection of solid waste to provide recycling recentacles for the collection of any designated recyclable items generated at such venue, provided nothing in this section shall be construed to require an owner or operator of such venue, or [Name of Town or City, to provide such recycling receptacles whenever such receptacles are provided by another person pursuant to contract. Such recycling receptacles shall be as accessible to the public and at the same locations as trash receptacles, that is, there must be one recycling receptacle accompanying each trash receptacle.
- e. Collector Contracts with Business Customers (i) For the purposes of this subsection (e), "customer" means a business (including without limitation a sole proprietorship) and any other establishment or institution, including without limitation any landlord, and any association or company managing a common ownership housing facility or facilities. (ii) Each contract between a collector and a customer for the collection of solid waste shall make provision for the collection of designated recyclable items, either by providing for the collection of designated recyclable items by the same collector who is party to the solid waste contract or by including an identification by the customer of the collector with whom such contract exists. The provisions of this section shall not be construed to require a customer to contract exclusively with one collector for the collection of both designated recyclable items and other solid waste. Each collector shall provide each customer with clear written or pictorial instructions on how to separate designated recyclable items in accordance with the provisions of subsection V(b) above.

- f. Collectors Required to Offer Recycling Collection (i) For the purposes of this subsection (f), "curbside or backyard collection" means the collection of presorted designated recyclable items or solid waste left for such collection by residents and businesses on the property where such residents reside or on the property of such business. (ii) Each collector who offers curbside or backyard collection of solid waste generated by residential properties in [Name of Town or City] shall offer curbside or backyard collection of designated recyclable items to each of such collector's customers and such curbside or backyard collection of designated recyclable items shall be included in the collector's charge for solid waste collection. The provisions of this subsection shall not be construed to prohibit any collector from determining and adjusting its fees for combined curbside collection services.
- g. No person shall knowingly combine previously segregated designated recyclable items with other solid waste.
- VI. <u>Enforcement</u> (This section may not be necessary for municipalities that already have a system of fines and permit revocations for violations of their existing solid waste ordinances.)
  - a. Any person, including without limitation any collector, found to have: (i) knowingly disposed of acceptable solid waste in violation of subsection IV(a) above; (ii) knowingly disposed of items designated for recycling in violation of subsection IV(b) above; or (iii) violated any of the provisions of the requirements of Sections III or V above, shall be subject to a fine of not more than one thousand dollars for each such violation and to the revocation or suspension of any permit issued pursuant to subsection III(b)(1) above.
  - b. Any police officer or other person authorized by [the chief executive officer of the municipality] may issue a citation to any person who commits a violation set forth in subsection VI(a) above.
  - c. Any person fined or whose permit has been or may be revoked or suspended pursuant to this Section may request and shall be granted a hearing on the matter, provided that such request must be made, after notice to such person, and the hearing shall be conducted, in accordance with the provisions of Section 7-152c of the Connecticut General Statutes.

Re:

Parks' Master Plan

The Kent Park and Recreation Commission at its Jan. 28, 2019 monthly meeting voted unanimously to create a Parks' Master Plan Subcommittee, appointed three commission members to the subcommittee and charged it to bring to the Commission an RFQ and budget for hiring a company to develop a master plan for the two Town parks.

The commission would like a representative from the Board of Selectmen and/or the Board of Finance to sit on this subcommittee.

The commission appreciates your consideration of this request.

Thank you.

Hi Joyce,

Please add an agenda item for tomorrow's BOS meeting: "Policy Manual Update"

Attached are two pdfs of the "Opt-Out" policy. The blue highlight is the current language. The yellow highlight is the proposed language that is consistent with the recently adopted union contract.

Jeff

#### Appendix O - Health Insurance "Opt-Out" Program

- 1. The Town's active, eligible individuals, who are participating in a group-sponsored health insurance program other than the Town of Kent's sponsored-plan, whether it be an individual or family plan, have the option to "Opt-Out" of the Town health insurance plan, beginning on July 1<sup>st</sup>. Individuals who "Opt-out" of their insurance shall be eligible to receive a stipend, equivalent to fifty percent (50%) of the Town's cost of the plan for which the individual is eligible, provided however, that the amount of the payment shall not exceed fifteen thousand dollars (\$15,000). Payment shall be made in two equal payments, issued on December 1<sup>st</sup> and June 1<sup>st</sup> of the current fiscal year.
- 2. To be eligible to participate in this program, the individual must provide the Town with proof of insurance from another group-sponsored health plan (spouse, military, etc.). The documentation must include the dates of coverage and the names of those covered by the plan. The individual must complete the Health Insurance Opt-Out Provision Form which must be executed on an annual basis.
- 3. An individual who decides to participate in this program and drops his/her health insurance coverage through the Town may re-enroll in the program during the covered period only if the individual has a qualifying event, as recognized by the health plan's underwriting rules. The qualifying events are:

Marriage or divorce
Birth or adoption of a child
Death of a family member carrying the insurance
Loss of other coverage through no fault of the employee or subscriber
Change in hours, from full-time to part-time, which results in change of employment status

- 4. In order to re-enroll in the Town health insurance program, the individual must notify the First Selectman's office within thirty (30) days of the qualifying event and provide written documentation of same. If the individual has a qualifying event and needs to reenroll in the Town's sponsored insurance, the individual's "opt-out" benefit shall be reduced proportionately for the time the individual re-subscribes in the program. The individual's health insurance premiums shall be adjusted so as to recapture any of the "opt-out" benefits for which the employee was not entitled.
- At the next scheduled open enrollment period, the individual who participated in the "opt-out" program may select any carrier and plan then offered by the Town for which he/she otherwise is eligible.
- The Board of Selectmen may promulgate rules and regulations necessary to implement this program. The continuation of this program will be reviewed annually.

Dear Board of Selectmen,

Kent Center School agrees that the remaining funds from the Ward Scholarship be given to the Kent Center School Scholarship Fund. Thank you for your efforts in making this decision.

Sincerely,

Michelle Mott

All set. Let me know if you need anything else!

On another note, I would like to sit down at some point and discuss strategies to increase enrollment at KCS. I am sure you have some ideas and it is an important topic for both of us to work together. Let me know a couple of dates and times that work for you and hopefully, we can get something on the calendar.

Best, Michelle

The Ward Scholarship was created in 1974 by the Ward Family in the name of 3 family members. Since that time \$200 per year has been given to a KCS grad going on to a private school. 2-3 years ago some serious allegations came out about Bob Ward. He has been deceased for a long time. Kent School changed the name of Ward Road and Kent Center School decided not to continue giving the award.

There is now a request from the Kent Center School Scholarship Committee to take over the scholarship. They would continue to call it the Ward Scholarship... After a long discussion at the BOS meeting last night it was finally agreed that the remaining funds would be turned over to the KCSSF if Kent Center School will send me a letter agreeing to such. Can you do this?

#### 2. Actual vs Budget

#### Revenue

**Revenue** is strong, 71.2% of budgeted revenue has been received through 1.31.19

Received \$1,642,450 in tax revenue in January

#### Expense

Department actual vs budget to date is tracking in accordance with the % of completed FY to the % of budget for the same period. Seven months in to the FY = 59%. Overages within department lines, for the most part, will be offset by other lines within the same department with the exception of the Treasurer Computer line which will need a budget transfer at the end of the FY.
