5. Spring events.

A. Arbor Day

Jos will contact Kent Center School teacher Susan Makarewicz to select a tree and location on the school grounds. As in previous years the commissioners voted to donate up to \$250 and volunteer labor towards a new tree, to be planted with KCS student help on Arbor Day. The hole will be dug on Thursday April 28 after school, and the ceremony will take place on Friday April 29. The tree will be ordered from Kent Greenhouse, at a discount. Liddy will ask the Garden Club for a contribution.

Wendy will order a bronze plaque that will be presented to Bruce Bennett on Arbor Day.

Melissa will enlarge the winning poster of the KCS recycling poster contest, which is sponsored by the Housatonic Resources Recovery Authority.

The cleanup is scheduled for April 22 to May 1. Liddy is contacting road captains and will provide garbage and recycling bags. The scouts will do the village center on April 29. Marvelwood School plans to go out on April 20.

C. Library program

Carol reported that she got Jen Iannucci of the Housatonic Resources Recovery Authority to do a program about recycling for young kids at the Kent Memorial Library on Wednesday April 20 at 10.30 a.m. (during Spring Break), and she arranged for Welsh Hauling to show off a hybrid garbage / recycling truck. Carol also wants to buy two books on recycling for the library. Laurie proposed doing construction projects for the kids with recycled materials.

D. Strolling for ceruleans

Laurie announced that April 16 Marvelwood will host a talk on birding and cerulean warblers. This will be the introduction to a search for the presence of cerulean warblers in Kent by teams of community members and Marvelwood students during May and June.

Laurie also mentioned that she and Marvelwood students have worked with the DEEP on creating new pictorial ID cards for aquatic macro-invertebrates. Commission members praised the improvements.

A. DEEP Recycling Rewards and Waste Reduction Initiative grant applications.

Connie has submitted an application for a \$2000 RR grant, but hasn't drafted a WRI application yet.

B. Other – IGA; Plastic Bag bill

Connie reported that HRRA can't subsidize the IGA shopping list pads (recycling and cloth bag reminders). She noted that we can have 500 pads printed out for \$500 to hand out on Earth Day and beyond. Carol made a motion to pay \$250 towards printing 500 pads and asking Gary Davis, owner of Kent IGA, to pay the other half. Wendy seconded, and the motion was unanimously approved. Connie made reference to a proposed bill in the state legislature to levy a fee on or phase out single-use plastic bags.

7. P&Z Zoning Regulations.

The revised zoning regulations have been sent to the town's landuse lawyer for review.

9. New Business.

A. CT Trail Days

The commission discussed ideas for hikes in Kent on June 4 and 5 with Connie.

B. Proposed Great Thicket National Wildlife Refuge

The US Fish and Wildlife Service recently proposed creating a new wildlife refuge that consists of a number of individual areas in New England and New York State, and includes a part of Sharon, and parts of Amenia and Dover adjacent to Kent. Open space protection in these areas will be voluntary, but will be targeting shrubland and young forest habitats with associated fields, for the wildlife species that are most in decline in the region. There is interest in expanding the selected areas in our region.

The CT legislature will discuss a proposed pollinator protection bill.
