The Town of Kent Inland Wetlands Commission held a site walk on Friday, **March 25, 2022** at the corner of Cobble Lane and Route 7. The site walk was recorded on a hand-held recorder.

**1. CALL TO ORDER**

The site walk began at 4:05 p.m.

**2. ROLL CALL AND APPOINTMENT OF ALTERNATES IF REQUIRED**

Commissioners Present: Lynn Werner, Paul Yagid  
Staff Present: Donna Hayes  
Property Owner: Tim Casey  
Forester: Jeff Viola

**3. OLD BUSINESS:**

**3.A. DISCUSSION AND POSSIBLE DECISION**

- 3.A.1.** Application #1277-22F, Timothy Casey for Hillside North Main, LLC, 0 North Main Street, Map 10 Block 42 Lots 4 and 5, forestry operation.

Those present walked to the location of the stream crossing. Mr. Viola explained that he would be installing a temporary bridge over the existing bridge by using concrete blocks at each end, spanning the existing bridge with a platform and installing gravel on both sides. Mr. Yagid asked that hay bales be placed on the uphill side of the crossing. Mr. Viola said that he would like to add a swale on the northeast side of the bridge to make sure that any runoff would miss the temporary bridge.

Mr. Viola explained that the logs will not be dragged but would be transported from the cutting site via a forwarder to the landing area to the west of the stream.

With regard to the southern portion of the logging operation, it is anticipated that all cuttings would be taken out via the northern landing.

**4. ADJOURNMENT**

The site walk ended at 4:35 p.m.

Respectfully submitted,

*Donna M. Hayes*
