Minutes of ARB Meeting May 4, 2015

Present: Ellen Corsell, John Baker, Scot Samualson, James Mauri, Greg St. John

Call to Order 5:30

The previous months' minutes were approved by the committee but were never filed with the Land Use Office.. John and Ellen will send them to the Land Use office.

Application 004-15

Karen Chase for St. Andrew's Episcopal Church 1N. Main St. Installation of temporary banner Map 19 Block 14 Lot 7.

Discussion and approval. The sign is thoughtful and well designed and meets all the size and safety requirements.

The application from Chris Garrity has been tabled. It was noted that the building is getting painted with no work from the application being done at this time.

Discussion continued about the screening project for Rt. 341. Suggestions were made for funding, ie. STEEP Grant. There was also discussion of all the different ways this project could be approached from a simple fence to offering a competition to local artists for a screening design. The meeting with the landowners at that location is set for Tuesday May 17.

Meeting was adjourned at 6:10.

Respectfully submitted by Ellen Corsell
