Net natural should be net neutral Offset he should be offset the

Mr. Matson seconded the motion and the motion carried.

Ms. Speck made a motion to move item 7K: Food Truck Ordinance/Policy to the top of the agenda. Mr. Garrity seconded the motion and the motion carried.

Public Communication:

Oral:

None.

Written:

November 17, 2020 email from William Eschner regarding food

trucks

December 7, 2020 email from Elissa Potts regarding food trucks December 4, 2020 email from Martin Lindenmayer regarding town

meetina

December 7, 2020 email from Valerie Vega regarding town meeting

Tax Refunds:

Mr. Garrity made a motion to approve ten tax refunds:

1.	Botway, Cooper	\$14.89
2.	LRK LLC	\$318.24
3.	Starbuck, Peter	\$128.60
4.	Toyota Lease Trust	\$112.87
5.	Uryadov, Andrey	\$29.07
6.	Tovota Lease Trust	\$58.86

7.	Lieber, Seth	\$15.97
8.	Fenyes, Eric	\$71.38
9.	Fenyes, Eric	\$256.01
10	. Nicolas, Harry	\$1,942.89

Ms. Speck seconded the motion and the motion carried.

Report of Treasurer:

Mrs. Herbst written report attached.

EMS Staffing:

Ambulance Chief Mary Ann VanValkenburg, Alan Gawel, Eric Epstein, Mike Petrone and Art Romano presented the attached power point presentation.

Mr. Garrity made a motion to approve up to \$55,000 for the KVFD specifically EMS hiring of staff for a volunteer to be reimbursed to the fire department as they bill each month for the next six months. Ms. Speck seconded the motion. Mr. Garrity and Mr. Matson voted yes. Ms. Speck abstained.

Mr. Garrity made a motion to recommend the expenditure just adopted by the BOS to be considered by the BOF and action thereof. Ms. Speck seconded the motion and the motion carried.

Local EMS Plan:

Ms. Speck tabled the discussion regarding Local EMS Plan.

EMPG Resolution:

Ms. Speck tabled the discussion regarding EMPG Resolution.

Town Meetings:

Ms. Speck reported there are seven items for the January Town Meeting:

- Sewer Ordinance
- 2. Transfer Station Ordinance
- 3. P&R Membership
- 4. KCS entry way project funding
- 5. EMS staffing funding
- 6. Approval of Annual Town Report
- 7. Discussion of Capital Plan

Mr. Garrity recommended a public hearing before the town meeting for the KCS entry way project and the EMS Staffing funding.

Ms. Speck made a motion to hold a public hearing on Tuesday, January 12, 2021 at 7:00 p.m. to address KCS entry way and KVFD staffing funding. Mr. Garrity seconded the motion and the motion carried.

Five-Year Capital Plan:

Mrs. Herbst provided a draft Five-Year Capital plan which included all the requested (attached) and a summary of the impact of the new requests. Mr. Garrity stated he would not entertain any items being added to the first four years that have already started the funding process. Mr. Garrity made the following recommendation:

- Move the \$250,000 for KVFD Communication to 2027
- Remove the three \$64,000 for turn out gear bring that request to the BOF
- Add \$30,000 in year 2026 for the Swift House HVAC system

SustainableCT:

Ms. Speck expressed her enthusiasm for the SustainableCT program. *Ms. Speck made a motion to sign the resolution to participate in SustainableCT. Mr. Garrity seconded the motion and the motion carried.* Mr. Matson asked if there is any cost to the Town? Ms. Speck confirmed, no.

Streetscape:

Streetscape subcommittee Chairman Mike Gawel provided a written report, attached.

Mr. Matson made a motion to split the streetscape project into two phases:

- Phase 1 North and West of the light
- Phase 2 South and East of the light

Mr. Garrity seconded the motion and the motion carried.

Swift House Task Force:

Mr. Garrity reported the Swift House Task Force recommendations to the BOS:

- Add an additional \$6,500 to the operating budget for ongoing maintenance and issues
- Funds for a roof replacement
- Funds for an HVAC system added to the Five-Year Capital plan

Covid-19:

Ms. Speck reported:

- 10 new cases in Kent
- Standing up a weekly testing site in Kent
 - Mondays
 - o 3:00 p.m. − 7:00 p.m.
- Waiting on vaccine rollout

Mrs. Hayes asked if any of the COVID policy had been updated to reflect the changes/suggestion discussed at the past several BOS meetings? Ms. Speck stated she would be happy to discuss off-line.

Mr. Garrity and Mr. Gawel thanked Ms. Speck and Mr. Osborne for setting up and working at the first COVID testing at Town Hall.

Social Media Policy:

Ms. Speck reported no update.

Mrs. Hayes asked why a non-employee had authority to post in the Town's Facebook page but the department heads do not have access? Ms. Speck confirmed she would add any department head that asked for access.

<u>Main Street – noise/traffic:</u>

Mr. Garrity has met with Trooper Fisher and they are putting together a plan for the Main Street noise and traffic.

Mr. Lindenmayer asked if Trooper Fisher could patrol Elizabet Street during school drop off and pick-up. Ms. Speck confirmed she would discuss with Trooper Fisher during their next daily morning briefing. She also suggested moving a speed sign back onto Elizabeth Street.

HRRA Organics Program:

Ms. Speck confirmed that the five towns currently accepting organics, each have different fees. She will be working with HRRA in the coming months to implement the program.

Cell Tower:

Ms. Speck reported the Siting Counsil voted 4 to 3 in favor of the Richards Road location. The attorneys will be reviewing the findings and report back to the BOS.

Policy and Procedure Manual:

Ms. Speck reported she plans to carve out time to work on the manual.

KVFD Abatement:

Mr. Matson stated he was not pushing the concept because he felt the BOS was not interested. Ms. Speck suggested looking back at the cost over the past several years. Ms. Devaux confirmed that her office could provide the historical data.

Food Trucks:

Ms. Speck referred to the two letters submitted under written correspondence and noted that the food truck issue needs to be flushed out. Mrs. Potts reiterated her concerns she stated in her letter. Mr. Garrity stated he sees value in allowing food trucks but agreed there needs to be guidelines. Mr. Garrity made a motion to suspend any new peddler permits until the governor ends the public health emergency. Ms. Speck seconded the motion. After discussion Mr. Garrity withdrew his motion as he noted the First Selectman has the power to suspend or deny any new applications during COVID, therefore there is no need for a motion.

EV Charging Station:

Ms. Speck reported she has been looking for grants to place additional EV charging stations around town.

Report of Selectmen:

Ms. Speck reported:

- Looking into cyber security improvements
- Hazardous Mitigation Plan working with COG
- Graduated from CCM's Certified Municipal Officials program

Mr. Matson reported:

- One-year ago air testing monitors a big deal, never heard anything since?
 - o Connie Manes and Mr. Garrity confirmed there is an abundancy of information regarding air quality out there.

Mr. Garrity asked for an update on the transfer station at the next meeting.

Mr. Garrity made a motion to adjourn the meeting at 10:18 p.m.

Joyce Kearns Administrative Assistant

These are draft minutes and the Board of Selectmen at the subsequent meeting may make corrections. Please refer to subsequent meeting minutes for possible corrections and approval of these minutes.

Hello Selectmen,

William Eschner (Williameschner@gmail.com) has sent you a message via your contact form (https://www.townofkentct.org/user/21/contact) at Kent CT.

If you don't want to receive such e-mails, you can change your settings at https://www.townofkentct.org/user/21/edit.

Message:

Hello!

I am a new resident to Kent and would like to reach out and say hi! I am also in the process of building a food truck and was wondering if the idea of having it in town was entertaining.

Thank you!

Joyce Kearns <adminassist@townofkentct.org>

FOOD TRUCKS

1 message

Elissa Potts <elissa@fifendrum.com> To: firstselectman@townofkentct.org, Joyce Kearns <adminassist@townofkentct.org>, Potts Elissa <elissa@fifendrum.com>

December 3, 2020

Selectman Mr, Jean Speck, Mr Chris Garrity and Mr Ed Matson

41 Kent Green Boulevard

Kent, CT 06757

I would like this letter to be read at your December 11, 2020 meeting and recorded into your minutes.

Food Trucks

have just listened to your Selectman's meeting dated November 10, 2020. I was extremely upset listening to your cavalier opinions regarding the possibility of Food Trucks in Kent

Let me ask... Why does the Selectman's office feel the need for food trucks in Kent.

As Selectman, you are elected to represent the best interests for everyone in the town of Kent. I find it disturbing that you appear to disregard the 16, soon to be 17, brick and mortar businesses in Kent that pay RENT, MOŘTGAGES and TAXĚS. In addition, during this extremely difficult year in business caused by the pandemic, I find it amazing you would even entertain the idea of allowing food trucks. Food trucks are businesses that parachute in, pay a pittance for a temporary permit and then just that simply sells food and wares. Where are they going to park...US Highway Route 7 or 341... on Private Property... or perhaps at the Town Hall?

When the owners of the "future" food trucks arrive and begin setting up their trucks for business, will the Architectural Review Board come and inspect their truck? What about the windows or the doors? Will they have to deal with Zoning regarding parking spaces? What about providing public restrooms? Will they have to be ADA

compliant? ...In addition, the food trucks will not have to deal with sewer or water bills and the myriad of other permits and taxes that are required by the brick and mortar food establishments. I have been through more competition than most businesses here in Kent... and have survived. That being said, a daily basis. I think you should reach out to the business community, as well as the Kent Chamber of Commerce food truck does not have the same overhead and expenses that all the other businesses have to deal with on a to get additional feedback. In my opinion, allowing food trucks would not enhance the town of Kent. Ultimately, adhere to the same rules and regulations the brick and mortar businesses do. It would be the beginning of the one truck would lead to more and then the town would subject to other pop up businesses that do not have to end for the charm and allure of Kent.

he just recently sold a home in Kent to a man who has a food truck? I am certain the new Kent resident would like In addition, I feel Selectman Garrity needs to recuse himself from this conversation. Did he forget to mention that to know where he can set up his food truck In addition, this SHOULD be a P & Z issue, not a Selectman's office matter. The town spent a long time and a lot of money writing rules and regulations for the town's zoning. That is why Kent is so attractive to our residents and visitors. It seems to me that the view from the present Selectman's office is here for the short game....that sentiment does not sit well with me. Zoning cares about the integrity and the long term view of the town

Respectfully submitted

so that any questions regarding the necessity for action on this item outside of the annual Town meeting can be fully understood by the BOS and the public. In my previous four discussions with the First Selectman, I was assured by her that she would return my calls, follow up on my emails, and arrange an online meeting with in order to fulfill our Town's commitment to improve the safety and security of Kent Center School, I am requesting this issue be added to the December 8th agenda me, none of which has happened. I am hoping that we can finally address what we need to do to make the safety and security of our children, teachers, and staff of Town Meeting to vote on the allocation and to move the project toward completion in 2021. December 14 will be the 8th anniversary of the Sandy Hook tragedy and \$72,000 for the Kent Center School Entryway Security Upgrade, there has been no action, as far as I can determine, from the Board of Selectman to provide for a Jean et al., Since the Oct 20th 2020 Board of Finance meeting where the unanimous recommendation was made to allocate \$140,000 to the previously allocated Kent Center School a priority for the town of Kent.

Regards, Marty

EMS Staffing funding request

1 message

Kent Ambulance Chief <kent4@kentfire.org>

<alangawel@gmail.com>, Eric Epstein <ewepstein@charter.net>, Mike Petrone <mgpetrone01@gmail.com>, Caralee Rochovansky <President@kentfire.org>, Chief To: "jeancspeck@mac.com" <jeancspeck@mac.com>, Chris Garrity <cgarrity@townofkentct.org>, Ed Matson <ematson@townofkentct.org>, Joyce Kearns <adminassist@townofkentct.org>, Nancy O'Dea-Wyrick <nodeawyrick@gmail.com>, Arthur Romano <aromano@greenwichems.org>, Alan Gawel Ed Matson <kent1@kentfire.org>

Dear Board of Selectmen,

Thank you for adding the EMS staffing committee to the agenda of the Board of Selectmen meeting this evening. As you are so aware, staffing of the ambulance has been quite a challenge for several years. With the addition of a global pandemic, our numbers have seen a greater decline over the past 9 months. Unfortunately, I don't see this situation improving in the near future.

This will be achieved by hiring an outside staffing company to supply their employees to the open shifts that we currently cannot fill. After careful investigation and review by the At the selectmen's meeting tonight, our goal will be to ask the board to approve a funding structure to move forward to allow the ability of the department to hire paid EMS staff. committee, we anticipate needing a budget to cover twelve (12) six-hour shifts per week. We had a very positive presentation and conversation with the Board of Finance at their meeting last month. They voiced their strong support for the town assisting with this funding stream. The process of how to go about securing the funding during the fiscal mid-year was discussed. Chairman O'Dea-Wyrick asked for the town treasurer to investigate this process. That process as outlined by the treasure is that the "Board of Selectman needs to notify the Board of Finance that more money is needed and then depending on the amount that is being requested, a town meeting may or may not be required."

At last night's membership meeting the members unanimously authorized entering into an agreement with Emergency Resource Management, LLC (ERM) for EMS staffing.

We hope to have this staffing in place by January 1, 2021, for a smooth transition to get this program working. We are asking the town for funding of \$8,712.00 per month. The amount needed for the remainder of the town's fiscal year through June 30 is \$52,272.00.

Thank you for your help with this important decision. We will be at the meeting to answer any questions the board may have.

Best,

JOWN OF ACRE C. I INIMI - FWG. 12/11/2020

Dear Members of the Board of Selectmen,

construction planning for the security upgrades to the entryway, main office, and security monitoring system as well as securing funding through allocate the funds for the Kent Center School Entryway Security Upgrade Project. The Members of the Kent Center School Board of Education have worked tirelessly for 6 plus years to upgrade the security and safety of the school. Three of those years have been spent working on the On behalf of the Kent Education Association, we write to you in support of holding a virtual town meeting for the purpose of voting to direct allocation from the Board of Finance and end-of-year budget savings. We understand that the Board of Finance unanimously recommended to allocate the funds for the project at their October 20, 2020 meeting.

Order allowing hybrid Town Hall meetings. Please take action and hold a virtual town meeting to vote on the allocation of the funds to move the The time has come to move forward with this very important project before another year is lost. Governor Lamont issued an Executive project toward completion in 2021 before this costs the town more money! Our students' safety depends on you.

Respectfully submitted,

Ane Starr

Co-Presidents Kent Education Association

Questions?

Proposal

KVFD proposes submitting an invoice for reimbursement to the Town of Kent on a monthly basis for the contracted prior month

Proposal

Budgetary amount requested:

• January 1, 2021- June 30, 2021 is estimated at

\$52,272

Proposal

- Hiring one staff member
- 12- six hour shifts per week or
- 48 six hour shifts per month
- · \$8,712 per month or
- \$104,544 per year

Budget

Fundraising efforts have been suspended this year This has resulted in an approximate \$50,000 deficit with two months remaining in our fiscal year

Budget

KVFD annual budget is approximately \$400,000

Revenues: Town of Kent grant

Fundraising efforts

Ambulance billing

Expenses: Building and ground maintenance

Vehicle and equipment repair

Stipends

We have reached our breaking point

Ten (10) unassigned or what we call "scramble" shifts per week

covered by 7 EMT's and 3 EMR's- that's a total of Currently of the 56 shifts per week- 46 are 10 people

Our schedule is set up in 6 hour shift incrementswith two (2) staff members needed to complete a legal crew

- Eight (8) shifts a day
- Fifty-six (56) shifts a week
- Two-thousand nine hundred twenty (2,920) shifts a year

Several contributing factors to the current decline in staffing

- Less volunteers
- Larger time commitment
- Health/injury constraints
- COVID

- Largest call volume was when The Kent was operational
- once the High Watch expansion and Birch Hill We are concerned call volume could increase are online

Total calls	645	505	495	415	398	433	431	295
Year:	2013	2014	2015	2016	2017	2018	2019	2020 YTD

- 1911: KVFD was formed
- 1974: First provided ambulance service
- 1980's: Provided IV level of care
- 1990's: Joined a 7 town paramedic collaborative
- 2003: Tax abetment incentive offered
- 2009: Fuel card incentive
- 2010: Billing for service
- 2011: Stipend incentive offered

Review of EMS service provided by KVFD Where we are going How we got here

EMS Staffing Committee

November 6, 2020	Packets for Capital Requests are distributed to departments and Commissions	first week in November
December 4, 2020	Preliminary Five Year Capital Plan to BoS	first week in December
December 15, 2020	Budget Packets go out to Departments and notices go out to Organizations	middle of December
January 19, 2021	Five Year Capital Plan to BoF	BoF regular meeting
January 20, 2021	Budget requests due back from Departments	middle of January
January 22, 2021	Budget worksheet package to BoS via email	3 rd working Friday in January
February 9, 2021	1st BoS Budget Workshop	2 nd week of February
February 16, 2021	2 nd BoS Budget Workshop	3 rd week of February
February 23, 2021	3 rd BoS Workshop	last week of February
March 9, 2021	4 th BoS Workshop	BoS regular meeting
March 9, 2021	Final BoS vote	to take place at 4th Workshop
March 16, 2021	Present proposed budget to BoF	BoF regular meeting
	BoF final vote	by the end of April
	Public Hearing	first week of May
	BoF Budget Workshop (if needed)	2 nd week of May
	Budget Vote (Town Meeting)	3 rd week of May

Additional Information:

Capital Plan to be finalized and adopted before 1st Budget Workshop, and provided to BOF as soon as adopted by BOS

BOS will receive budget packets 2 weeks before 1st Budget Workshop

BOS review packets and at 1st Budget Workshop decide what order Departments will attend subsequent Workshops and what if any additional information will be necessary to facilitate decision making.

Invite departments for BOS 2nd and 3rd Workshops as necessary

Use BOS 4th workshop (monthly meeting) to accommodate departments that need night time.

5 Year Capital - updated with requests

1 message

Barbara Herbst <treasurer@townofkentct.org>

To: Jean Conlon Speck <firstselectman@townofkentct.org>, Ed Matson <ematson@townofkentct.org>, Chris Garrity <cgarrity@townofkentct.org>, Joyce Kearns <adminassist@townofkentct.org>

Fri, Dec 4, 2020 at 2:04 PM

Hello everyone,

Attached is the proposed 5 Year capital plan that has been updated with the current requests.

Of note:

- 1) The holistic increase (entire 5 year plan) over the previous year is \$1,104,469
- 2) KVFD is requesting a total of \$442,000 to be added to prior years, the effect of that request being approved as submitted, will be a shortfall of \$265,200 in the 5 year capital reserve.
 - 3) w/o the KVFD request of \$442,000 in prior years, the holistic increase is 14% (\$662,469) over the previous year
 - 4) The FY '22 appropriation as submitted is \$220,894 or 24% higher than the previous year
- 5) The FY '22 appropriation w/o the KVFD prior years request would be \$132,494 or 14% higher than the previous

Barbara E Herbst

Street Scape Building Committee (S.S.B.C.) Report to Kent Board of Selectman (B.O.S.)

- 1) Mike Doherty Update:
 - a) Easement documents in hands of town attorney as of 11/19/2020 S.S.B.C. Meeting
 - b) Typical for Town to offer to replace trees that are removed during a project such as this with a \$1,000 cap. Question: Is that necessary if the roots did or will affect the sidewalks?
 - c) Plans: 90% complete
 - d) Time frame as per Mike Doherty:
 - i) Submit documents to D.O.T. by December 31, 2020
 - ii) Send bid packets out in late February 2021
 - iii) Construction to begin early May 2021- depending on Town's ability to secure easements and on D.O.T. response time
- 2) Rick Osborne Update:
 - a) No materials have been purchased to date under the Main Street Grant
 - i) Granite could not be delivered until Spring 2020
 - ii) Purchasing process gravel may actually cost more in the end and might complicate bidding process. S.S.B.C. agreed.
 - iii) Rick Osbornes and Barbara Herbst are pursuing the possibility of another extension.

 As of today, S.S.B.C. has not heard any results.
- 3) Jean Speck has confirmed that the Town has been awarded a Tap Grant for new sidewalk construction. S.S.B.C. recommends that the B.O.S. confirm or redefine the scope of the current project in consideration of this Grant as the areas South and East of the light qualify for this Grant.
- 4) S.S.B.C.'s next meeting will be held on Thursday, 12/10/2020 @ 5:30 p.m.

Respectfully,

Mike Gawel S.S.B.C. Chairman

Joyce Kearns <adminassist@townofkentct.org>

RE: S.S.B.C Report for 12/8 B.O.S. Meeting

To: Mike Gawel <mikegawel@gmail.com>, streetscape committee <streetscape@townofkentct.org> Cc: Jean Speck <firstselectman@townofkentct.org>, Chris Garrity <cgarrity@townofkentct.org>, Joyce Kearns <adminassist@townofkentct.org>

Mike,

I would just clarify that the documents provided for the easements are the supporting plan drawings and Right-of-Way Schedule of Owners and are not the legal documents the attorney needs to prepare.

Thanks

Michael T. Doherty, PLA

Principal Landscape Architect

Swift House Report including Requests & Back-up Quotes

1 message

To: Joyce Kearns <adminassist@townofkentct.org> Suzanne Charity <zanne.charity@gmail.com>

Cc. Chris Garrity <cgarrity@townofkentct.org>, Marge Smith <aloyisius@charter.net>

Hi, Joyce, et al -

Attached is my Swift House BoS Report including requests for

(1) an increase in the SH Operating Budget,

(2) a Request for funding for the Roof & Chimney, and

(3) a Request for HVAC Replacement Heating and New Cooling to be included in the Five Year Capital Improvement Budget.

Also attached are Roofing bids with backup, Chimney Bid, and partial HVAC quote with A/C part to come tomorrow.

I'll be in transit from about 5:30 AM to 5:00PM tomorrow, but plan to be on the BoS Zoom if I'm still alive and kickin' by then.

SWIFT HOUSE TASK FORCE

REPORT to BOARD OF SELECTMEN

December 8, 2020

The Swift House Task Force has concentrated its primary efforts over the past six months on identifying and addressing the most urgent short term needs of the building utilizing the limited, special funds that were made available, while also planning for more mid-term and long-term concerns.

COMPLETED WORK:

Specifically, we have completed the following:

- · Removal of rodents and bats
- Repair stone foundation around perimeter of building to eliminate rodent access and water infiltration.
- Removal of two deteriorated chimneys and flashing, and installation of temporary protection at chimney sites
- Priority carpentry repairs to help secure building exterior including replacement of rotten soffits and fascia boards, and most urgent items on a list of needed window sash, sill, and trim repairs

ANNUAL OPERATING BUDGET:

In analyzing the current and ongoing needs of the building, which had not received much care in recent years, it became apparent that Swift House would need an increase in its Annual Operating Budget to adequately fund overall maintenance and ongoing repairs to the building, care of the grounds, and custodial care on an annual basis. We are therefore requesting that the Board of Selectmen approve an increase in the Swift House Annual Operating Budget of \$6,500 for the 2021-22 budget year, in addition to appropriations, as in the past, for electric, heating fuel, water & sewer, and supplies.

ROOFING & CHIMNEY REQUEST:

The one significant project that needs to be dealt with in addition to more modest repairs and maintenance in the Operating Budget request is concurrent replacement of the roof and the left front chimney. That chimney and another in the far rear of the house were removed this fall and the holes temporarily covered with roofing board and tarpaulins, effective for only a year before more permanent action is needed. That action was undertaken in an effort to protect the building from ongoing leaks and additional squirrel incursions as both chimneys were in significant disrepair with missing and damaged, old, porous, "salmon brick," badly in need of replacement, which squirrels had already eaten through in numerous locations.

Town records indicate that a Kent Town Building Preservation Committee chaired by Nancy O'Dea-Wyrick presented a report to the Town's Board of Selectmen in January 2006, which said in part, regarding the Swift House roof:

Target to replace the roof in FY 2009-10 when its age will be 25 years. Preliminary estimate \$33,000.

Now the roof is 36 years old, very fragile, and well beyond its useful life. Regrettably, the Building Preservation Committee's recommendation was not addressed and did not become a reality, and in more recent years neither the roof nor any other significant Swift House improvements have been recommended or addressed. So we must note that it seems well past time for some catch-up.

In an effort to try to keep costs as reasonable as possible, the Swift House Task Force is recommending that only one of the two chimneys that have been removed be rebuilt, reducing the cost significantly. We are therefore proposing that the Town undertake the rebuilding of just one chimney, concurrent with replacement of the entire roof for an estimated total of \$35,000. Of that amount, Marge Smith, member of the Swift House Task Force, is actively working with Joyce Kearns in pursuit of a \$10,000 grant to the Town from the 1772 Foundation toward roofing costs. We will make an effort to seek other grant opportunities as available.

Please see attached quoted estimates for a breakdown of the \$35,000 appropriation request, as follows:

•	Left Front Chimney Replacement, including flashing	\$ 5,330
•	Replacement of Front Roof including gutters or extended metal drip edge	13,900
•	Replacement of Rear Roof including gutters or extended metal drip edge	12,800
•	Contingency for unforeseen repair of wood sheathing, framing or adjacent moulding repairs, etc.	2,970 \$ 35,000

A possible option would be to replace chimney and roofing over two years, separating the front and rear roofs into different phases. That would mean that one of the temporary roofing panels and tarps now providing protection over the chimney holes would need to be inspected and reinstalled at an additional cost, and there might also be an increase in labor and material costs for the second year. But if a two-year project would be more manageable, that would be fine, if potentially a bit more expensive.

We acknowledge that the above request is certainly not insignificant, but please remember that it would be an important investment in a valuable Town asset, whether it is ultimately determined that the Town will retain Swift House for multiple valuable community uses as a treasured emblem of its historic past, or whether it will be sold to an outside party as a solid, intact, well-maintained building commanding a much higher price than one in regrettable need of significant repairs.

FIVE YEAR CAPITAL PLAN:

We would also like to establish a place for Swift House on the Town's Five Year Capital Plan, where it is the only Town-owned building that is noticeably absent. We anticipate

the need to replace the existing late '80's heating system with a new, more efficient heating and cooling system. Most of the windows in the historic building are not operable, so air-conditioning would be an important addition, allowing the building to be used and rented for functions in the warmer months. The anticipated cost of a new HVAC system would be approximately \$35,000.

In the coming months we will be examining issues concerning the future use of Swift House through interviews and responses to questionnaires in anticipation of making a final report with recommended options for its future use.

Thank you for your attention to the needs of Swift House.

Submitted by Zanne Charity, Chair on behalf of the Swift House Task Force

Name &

Address: Swift House Task Force

C/O Suzanne Charity

Swift Lane Kent, CT

Job Name/Description:

Rebuild the brick chimney with the dimensions of 55" high by 32" deep by 44" wide. Preparation: Install scaffold, lay tarps and plywood over the roof, demo the chimney and haul away the debris, install new copper flashing from the roof up to he flues, and solder the entire flashing on the seams to create a barrier between the upper and lower chimney. Build the chimney with small historic brick of the same size as the original chimneys.

Chimney: \$ 4,110.00 Flashing: \$ 1,220.00

Two Brothers Masonry Signature	Customer Signature

By signing this agreement the parties have acknowledged that Two Brothers Masonry has agreed to perform the work described above for the amount indicated and that you have agreed to pay that amount. Payment terms 50% to be paid upon the start of the job and the balance to be paid upon the completion. Any amounts not paid will be subject to finance charges and a lean to be placed up your property. The customer shall pay all fees and expenses related to the enforcement of this agreement and collection of pass due balances including attorney's fees.

Thank you for choosing Two Brothers Masonry
