

# Medicare Savings Program

How can it help me save money?

01

## Part B Premium

MSP covers the cost of your Part B Premium (currently \$174 per month coming out of your Social Security Check)

02

## Deductibles

MSP covers Medicare Part A deductibles (\$1,632 per benefit period\*) and the Part B annual deductible (\$240)

03

## Co-Pays & Co-insurance

MSP covers the cost of co-pays for Medicare approved services and acts as a co-insurance similar to AARP\*

04

## Extra Help for Prescription Costs

You'll pay no more than \$11.20 in 2024 for each drug covered by your Medicare drug plan

05

## Am I eligible?

The income limit for a single person is \$2,564/month and \$3,468/month for married couples
