- An amazing group of volunteers

A wonderful group of volunteers have spiffed up the Senior Center up and we will kickoff the program tomorrow with a delicious lunch at noon, prepared by South Kent School and served by SKS students.

Due to COVID19 restrictions, seating is limited. To reserve a seat, please call the First Selectman's office at 860.927.4627.

Take the ARPA survey!

The American Rescue Plan Act Needs Assessment committee has created a survey to hear from our community how the COVID19 pandemic has affected you, your business or organization, and your thoughts on the best way to spend the \$800,000 allocated to Kent.

You can click the image on the right to take the online survey, or if you prefer paper, stop by the Town Hall lobby or Kent Memorial Library and pick up a paper survey to take and return to either location.

Tell us your COVID story

Kent has been awarded \$800k in federal COVID relief funds. To determine how best to disburse these funds, we need to hear your stories and opinions.

Tell us how COVID has affected your business or your family. Tell us how you think our relief money should be distributed.

Complete our survey available online at tinyurl.com/hvmsnnc, or pick up a printed copy in the town hall lobby or at the library. You can also sign up to participate in a focus group. Email arpa@townofkentct.org for details.
