

It is with great sadness that we mourn the passing of Dr. Henry Kissinger, longtime active resident and friend of Kent, CT. In addition to Dr. Kissinger's national profile, his neighborly presence as a fellow citizen of town was a positive addition to Kent and one that was appreciated and celebrated over the years. He and his wife Nancy were great supporters of the various organizations of Kent, from the American Legion, Kent Memorial Library, Kent Land Trust, Lion's Club and especially the Kent Volunteer Fire Department where he was known to attend the annual Firemen's Field Days and engage in the bingo games alongside the children of Kent.

We send our condolences to his wife Nancy, the Kissinger family and want them to know that Kent shares their grief.
