

News Worth Sharing: Test Site update

As we continue to see a decrease in COVID-19 cases, we are also seeing a decrease in testing, and as a result, our partners at DPH have notified us that testing on Sundays will be discontinued. The site continues to be open Tuesdays and Thursdays from 3:00p - 6:00.

We also have home test kits available to pick up in the First Selectman's office at Town Hall.

Thank you all for continuing to play a big role in keeping our community on the road to recovery!

Stay well,

**Jean C. Speck
First Selectman**
