**Town of Kent
Housing Plan Steering Committee**

April 27, 2022

6:30pm

Kent Town Hall

ATTENDED BY: Tegan Gawel, David Birnbaum, Alice Hicks, Connie Manes, Justin Potter, Virginia Bush, John Johnson, and Jean Speck. Planning Consultant in attendance: Jocelyn Ayer

MINUTES:

Meeting was called to order at 6:40pm.

Minutes from the March meeting were approved.

The committee then reviewed **draft slides for the next community forum** to get feedback on the draft Housing Plan goals and strategies. Ayer noted the suggested revisions and promised to address them in a next draft of the slides. She will send the revised slides out to the committee based on this feedback.

It was noted that the Planning & Zoning Commission subcommittee on the **Town Plan of Conservation & Development** (POCD) update was meeting on May 25th which was the regular meeting date for this committee. In order to avoid this conflict, it was decided that the next meeting of this committee would be changed to May 17th. The committee asked Jocelyn to touch base with Glenn Chalder who was assisting the town with the POCD update to see how we could continue to best coordinate our efforts and see if there was anything they needed from this committee at this time.

Meeting adjourned at 8:13pm.
