Board of Selectmen Special Meeting March 6, 2015 10:30 A.M. Town Hall

Present: Bruce Adams, Susi Williams and Mike VanValkenburg.

Also present: Darlene Brady, Debbie Devaux, Jennifer Dubray, Lesly Ferris, Leah Pullaro and Rick Osborne.

Mr. Adams called the meeting to order at 10:35 a.m.

#### Partial Roof Replacement Project at Kent Center School:

Mr. Adams stated that Sam Herrick, the Region One Business Manager, asked the Board of Selectmen to approve a resolution authorizing the application and other items for partial roof replacement project at Kent Center School. Mr. Adams made the following motion:

Resolved, that the Town of Kent Board of Selectmen authorizes the Town of Kent Board of Education to apply the Commissioner of Education and to accept or reject a grant for the "Partial Roof Replacement Project at Kent Center School',

Resolved, that a building committee comprised of Paul Cortese, Mike VanValkenburg, Bruce Adams, Bill Hurley, Florence Budge and Samuel Herrick is hereby established by the Town of Kent Board of Selectmen, as the building committee with regard to the "Partial Roof Replacement Project at Kent Center School" and

Resolved, that the Kent Board of Selectmen hereby authorizes at least the preparation of schematic drawings and outline specifications for the "Partial Roof Replacement Project at Kent Center School".

Mrs. Williams seconded the motion and the motion carried.

Mr. Adams made a motion to approve the resolution presented by Bruce Adams to proceed with the Kent Center School Roof Project. Mr. VanValkenburg seconded the motion and the motion carried.

Mr. Adams made a motion to appoint the following individuals to the Roof Committee: Paul Cortese, Mike VanValkenburg, Bruce Adams, Bill Hurley, Florence Budge and Samuel Herrick. Mrs. Williams seconded the motion and the motion carried.

Mrs. Brady asked if the Board of Selectmen made a motion to create a Roof Committee is said committee a sub-committee of the BOS and, therefore, reports to the BOS or should it be a sub-committee of the Board of Education? Mr. Adams stated that Mr. Herrick prepared the language for the motions, and he would follow-up with him.

#### **Board of Education:**

Mr. Adams stated that he attended the Board of Education in which the BOE proposed budget was presented. Mr. Adams stated the budget reflects the following:

- Kent Center School reflects an increase of 1.47% or \$64,781
- Region One reflects an increase of 4.2%, Kent's share is \$103,498

• Combined increase of 2.45% or \$168,279

#### Proposed Board of Selectmen Operating Budget:

Mr. Adams stated that the proposed Board of Selectmen's Operating budget reflects an increase of \$267,950, which includes a 2% salary increase and a 6% pension increase for the highway crew and a 3% salary increase for employees. He suggested that the proposed increase be reduced by 50%. He reported that the budget reflects a 3.6% increase for the health insurance and a 0.83% increase for the dental plan. He added that there are two employees enrolled in the insurance opt-out program. Mrs. Brady asked if the Insurance Opt-Out program was offered to the employee of Kent Center School. Mr. Adams stated that he presented the program to the Board of Education last year. Mrs. Williams stated that she would share the information with the BOE.

Mr. Adams stated the budget reflects a 97.72% or \$19,512 increase for the Paramedic program. Mr. Adams stated the increase is because the billing was changed from population based to call based. The Town of Kent has a large call based greatly due to calls at The Kent. Mr. Adams stated that he would like to schedule a meeting with the director of The Kent. He added that, when The Kent was given a zoning permit, it was with the condition that The Kent would not use the Town of Kent's ambulance service except in "dire emergencies". Mr. Adams stated that he would like to see The Kent reduce the number of calls, make a donation toward the cost of the Paramedic program or purchase an ambulance. Mr. Adams reported that he has a meeting scheduled with the KVFD president and chief and the president for the ambulance next week to discuss the large increase for the paramedic program. He added that the KVFD bills for and is reimbursed for ambulance services, which include the paramedic. Mr. Adams stated that there is an inequity if the Town is paying for the service and the KVFD is being reimbursed for the service.

#### **Highway Department:**

Mr. Adams asked Highway Foreman Rick Osborne to provide additional support for his request for a new crewmember. Mr. Osborne stated that he has asked for an additional crewmember on and off for at least the past ten years. Mr. Osborne provided the following:

- During winter, length of plow routes takes approximately 4 hours to complete, before starting over, which is all right at night but causes problems during the day.
- Summer mowing
  - Road side = 1 man all summer
  - Lawns = 2 men, 2-3 days per week
- Vac truck = 2 men, 1 month
- Sweeping = 4 men, 3 weeks to 1 month
- Building maintenance has increased i.e. repainting Community House interior.
- Time to investigate concerns/complaints usually done after hours.
- Jobs are not being completed timely
  - This year drainage was completed after asphalt plant was closed

- Need someone to cover foreman plow route when he needs to be in shop repairing equipment or the routes could be divided up to reduce the time it takes to complete a route.
- Highway crew does most of Park and Rec's mowing and other grounds maintenance.
- Foreman has to work on jobs, works after hours on office work = average of two hours per day.
- Current employees time-off increases each year due to length of employment. All together equals one full-time employee.
- In fiscal year 13-14 the foreman worked 656.5 hours of overtime, salary was based on 300 hours of overtime. I worked 356 extra hours last year and turned backed 38 PTO days.
- Board of Education continues to hire despite declining enrollment, while the highway crew has added responsibilities without additional staff.

Mr. Adams stated that while Mr. Osborne presented a compelling case, the approximately \$100,000 price tag makes it a difficult item to add to the budget. Mr. Adams asked what limitations the union contract has in hiring seasonal help. Mr. Osborne stated that the union contract states that the Town can hire seasonal help for 120 calendar days per year. Mr. VanValkenburg suggested that perhaps the Town use seasonal help on a trial basis for one year and report back next year. Mr. Adams stated that he would have the budget updated to reflect that change.

Mr. Osborne stated the increase in the Equipment Repair Line is to adjust the line that has gone over for the past several years.

Mr. Osborne stated that the Salt & Sand line was reduced last year. The proposed increase brings the line back to the amount it was. He added that the price of both the salt and sand has increased.

#### Grants:

Mr. VanValkenburg suggested that all the grant recipients that requested an increase only get 50% of the increase. Mr. VanValkenburg expressed his concern with KVFD's grant request. He stated that in addition to the Paramedic issue, he fells the KVFD has displayed poor planning for mandatory equipment replacement costs and a reduction in volunteerism.

Mrs. Ferris and Mrs. Pullaro expressed their concerns with the Kent Children's Center grant request. Mrs. Ferris and Mrs. Pullaro stated that they have had families come to them for financial assistance, including to pay Kent Children Center bills. Mrs. Pullaro asked for clarification on what the \$14,000 grant is used for. Mr. Adams stated that the Kent Children's Center grant request states:

"Tuition for each full-time scholarship student requires coverage for approximately \$74,000. Currently we are working with five families (a total of seven) through our scholarship program and state's Care-4 Kids program." Mrs. Ferris stated that the Town's needs should come first. Mrs. Pullaro stated that she wanted to show her support for the Chore Service grant. She stated the grant request has increased from \$2,500 to \$5,000. Mrs. Pullaro stated that Chore Services has assisted several elderly, very low income (under \$10,000 per year) at little to no cost to the residents.

Mr. VanValkenburg stated that Ms. Miller provided a good presentation for the Kent Memorial Library grant, but she made many unfair comparisons. He added that while her intentions are good, she was aware of the budget went she took the position.

#### Salaries:

Mr. Adams stated that the proposed budget includes a 3% salary increase for employees, except highway crewmembers, which are budgeted with a 2% salary increase, per the union contract. The proposed increase equates to \$28,444.84. If the increase were reduced to 2%, the dollar amount would be \$21,659.56. A reduction to 1% would equal \$14,874.28. The constant in all three proposals is the highway crew's 2% which equals \$8,089. Mr. Adams added that the crewmembers are also receiving a 6% increase in pension, per the union contract.

Mr. Adams stated that the treasurer asked for and is reflected in the budget an additional \$5,000 salary increase. Mr. Adams stated that he would have a hard time giving one employee a salary increase. He stated that a review of all salaries could be looked at after budget season.

Mr. VanValkenburg made a motion to adjourn the meeting at 12:30 p.m. Mrs. Williams seconded the motion and the motion carried.

ce Kearns Administrative Assistant

These are draft minutes and the Board of Selectmen at the subsequent meeting may make corrections. Please refer to subsequent meeting minutes for possible corrections and approval of these minutes.

State project #: TMP-068-PXGS Facility: Kent Center School

a. is this project in accordance with the district's long-term school building program established pursuant to CGS Section 10-220 ? Explain answer: Replace 18,867 sq. ft of existing flat roofing with a 30-year EPDM roofing system.

b. Does the district intend to continue using this facility for public educational purposes for the foreseeable future ? if 'NO', explain answer:

c. Check all applicable reasons for this project.

Increased facility enrollment due to general student population increases.

- Increased facility enrollment due to redistricting or regrading of facilities.
- Programmatic changes within the facility.
- Correction of code viciations.
- Upgrade of facility due to general age and condition.
- Replacement of existing facility.

#### Name of facility being replaced:

- Upgrade of facility to current voice, data and video technology standards.
- Repair to facility for damages due to catastrophic loss(flood, fire, wind, etc.).
- Energy conservation (describe):

Other(explain):

d. Within the 5 years prior to the date of this application, has the district abandoned, sold, leased, demolished or redirected the use of any school facility constructed or renovated with state assistance ?

### FORM ED049. Superintendant's Certification State project #: TMP-068-PXGS Facility: Kent Center School

#### **Superintendant's Certification**

Please provide your initials in each input box next to each of the following statements acknowledging you are aware of each requirement as specified in Public Act 03-220. As applicable, support documentation will be required prior to SDE approval of the plans and specifications.

<u>PC</u> If the project is for the construction a new facility, an extension to an existing facility, the replacement of a building, the purchase of an existing facility, or for the full renovation of an existing facility, I understand that prior to the SDE approval of architectural plans, we must provide for a Phase I environmental site assessment in accordance with the American Society for Testing and Materials Standard #1527, Standard Practice for Environmental Site Assessments: Phase I Environmental Site Assessment Process, or similar subsequent standard.

<u>PC</u> I understand that no architectural plan approval will be given for any project if the site of the facility is in an area of moderate or high radon potential, as indicated in the Department of Environmental Protection's Radon Potential Map, or similar subsequent publication, except where the school building project plan will incorporate construction techniques to mitigate radon levels in the air of the facility. The district will provide documentation indicating the level of radon potential at the applicable school prior to SDE approval of the plans and specifications.

PC If the plans incorporate new roof construction or the total replacement of an existing roof, the following must be met (to be included in the bid specification):

- A. A minimum roof pitch of one-half inch per foot;
- A minimum twenty-year unlimited manufacturer's guarantee for water tightness covering material and workmanship on the entire roofing system;
- C. The inclusion of vapor retarders, insulation, bitumen, feits, membranes, flashing, metals, decks and any other feature required by the roof design;
- D. That all manufacturer's materials to be used in the roofing system are specified to meet the latest standards for individual components of the roofing systems of the American Society for Testing and Materials.

<u>PC</u> In the case of a major alteration, renovation or extension of a building to be used for public school purposes, the plans must incorporate the guidelines set forth in the Sheet Metal and Air Conditioning Contractors National Association's publication entitled "Indoor Air Quality Guidelines for Occupied Buildings Under Construction" or similar subsequent publication;

<u>PC</u> In the case of new construction, extension, renovation or replacement, the plans must include a plan that the building maintenance staff responsible for such facility are trained or are receiving training or that the applicant plans to provide training in the appropriate areas of plant operations including, but not limited to, heating, ventilation and air conditioning systems pursuant to section 7 of Public Act 03-220, with specific training relative to indoor air quality.

#### EDUCATIONAL SPECIFICATIONS FOR THE PARTIAL ROOF REPLACEMENT AT KENT CENTER SCHOOL

#### SECTION I - PROJECT RATIONALE

The Kent Center School was constructed in 1951, then renovated and added onto in 2000. Approximately 18,867 square feet of the original facility's existing 77,000 sq. foot roof have reached its useful life. The area in need of replacement is over the original building which including the gymnasium, classrooms and other common areas. These areas are in excess of 26 years old and have been leaking; managing them has become less effective.

#### SECTION II - LONG RANGE EDUCATIONAL PLAN

The primary goals of the Kent Board of Education are:

- 1. Agree on a set of core values and beliefs as well as a common academic, civic and social expectation for all learners, based on measurable 21<sup>st</sup> Century Skills.
- 2. Engage all students in relevant and rigorous work across all disciplines and courses.
- 3. Align major systems human resources, financial resources, policy development, curriculum, instructional, professional development, teacher evaluation, data and assessment, leadership, communications, and facility management with long-term school goals.
- 4. Align resource allocation with core values and beliefs as well as common academic, civic and social expectations for all learners.

#### SECTION III - PROJECT'S RELATION TO EDUCATIONAL GOALS

To maintain an environment conducive to learning while eliminating the risk to health and safety that would result from a defective roof.

#### SECTION IV - CAPACITY DATA

The reroofing of this building will not alter the building's capacity.

#### SECTION V - LEARNING ACTIVITIES

The reroofing of the school will not increase or decrease instructional group size, number of teaching stations, number of individual learning stations or specialized instruction.

#### SECTION VI - THE PROJECT

The Kent Board of Education proposes the following components of its roof replacement project:

- 1. Test for / identify any asbestos-containing roofing and flashing materials
- 2. Remove all roofing materials down to the deck and dispose of hazardous materials in the appropriate manner
- 3. Inspect roof deck and replace problem areas as appropriate.
- 4. Install new insulation with a 25 year modified EDPM1 roofing system.
- 5. Install new metal flashings at all intersections

### SECTION VII – INTERIOR BUILDING ENVIRONMENT

Lighting: N/A

HVAC: N/A Plumbing: N/A Windows/Doors: N/A

#### **Partial Reroofing and Related Work** Kent Center School 9 Judd Avenue Kent, CT

#### CONCEPTUAL BUDGET COST ESTIMATE

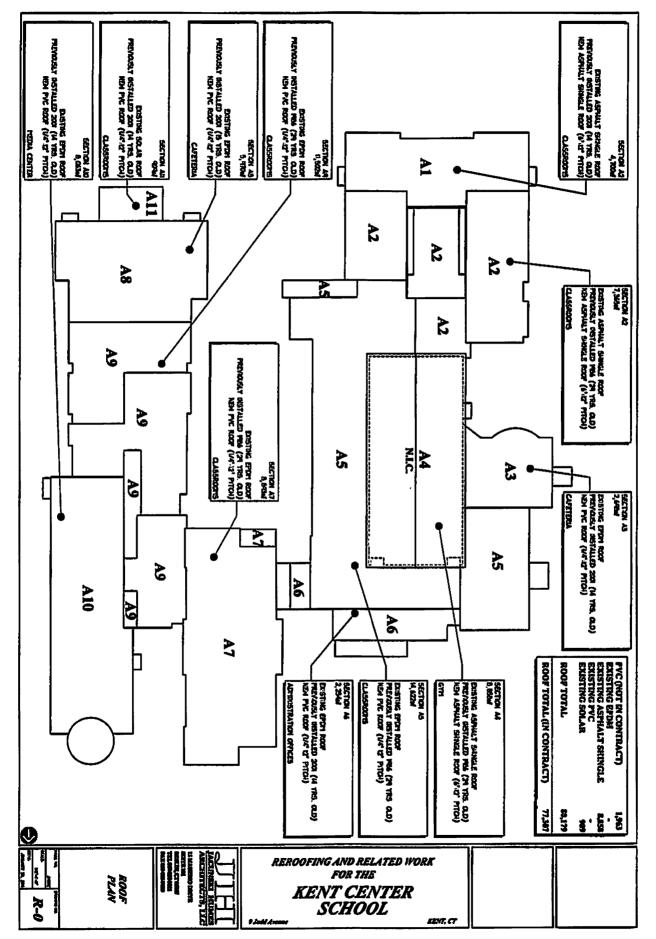

#### November 14, 2014

Replace 19,300 sq. ft. of existing flat roofing with a new 30 year EPDM roofing system	\$382,100.00
Miscellaneous Restoration Work (Allowance)	\$ 12,000.00
Asbestos Removal / Disposal (Allowance)	<u>\$ 7.600.00</u>
Construction Subtotal	\$401,700.00
15% Contingency	\$ 60,260.00
Architectural / Engineering Fee	\$ 24,100.00
Industrial Hygienist Fee (Allowance)	\$ 3,400.00
Testing, Printing, Legal, Advertising, etc.	<u>\$ 6.000.00</u>
Total	\$495,460.00
Projected State Reimbursement of 90% of Project Total at 28.21%	( <u>\$125.792.00</u> )
Cost to Town of Kent	\$369,668.00

#### Note:

- This estimate is based on 2015 construction costs. The above estimate should be 1. escalated by approximately 4% for each year of deferral.
- Asbestos is assumed to be present is flashing materials only. 2.
- Financing costs are not included in this estimate. 3.
- The Architectural / Engineering Fee are for services provided by Jacunski Humes 4. Architects, LLC.
- The Industrial Hygienist Fee is an estimate only, and not a proposal for services by 5. Jacunski Humes Architects, LLC.
- The Projected State Reimbursement is based on the Connecticut State Department of 6. Education 2014-15 Preliminary Reimbursement Percentage.
