

Kent Sewer Commission
Special Meeting

May 19, 2017
9:00 A.M. Town Hall

Present: Elissa Potts, John Casey, Stan Jennings, Jack Nelson and Susi Williams.

Ms. Potts called the special meeting of the Kent Sewer Commission to order at 9:00 a.m.

Annie Bananie – Grease Trap:

Ms. Potts stated that Anne McAndrew of Annie Bananie's submitted a letter to inform the Sewer Commission of the new menu changes to obtain the specification to define "restaurants" and the need for a grease trap. Mr. Casey stated that since the May 9, 2017 Sewer meeting he contacted representatives from Torrington Area Health, DEEP and Torrington Sewer Treatment Plant. Ms. Potts drafted a letter in which Annie Bananie's is defined as a "diminimus discharge" and will be issued a conditional waiver of the treatment requirements for food establishments at this time as allowed for in the CTDEEP's "General Permit for the discharge of Wastewater Associated with Food Services Establishments". Mrs. Williams made a motion to send the letter to Anne McAndrew, as drafted. Mr. Jennings seconded the motion and the motion carried.

Mrs. Williams made a motion to adjourn the meeting at 9:15 a.m. Mr. Jennings seconded the motion and the motion carried.

Joyce Kearns
Administrative Assistant

These are draft minutes and the Kent Sewer Commission at the subsequent regular meeting may make corrections. Please refer to subsequent regular meeting minutes for possible corrections and approval of these minutes.

Kent, CT 06757

May 19, 2017

Ms. Anne McAndrew
Annie Bananie Ice Cream
5 Bridge Street
Kent, CT 06757

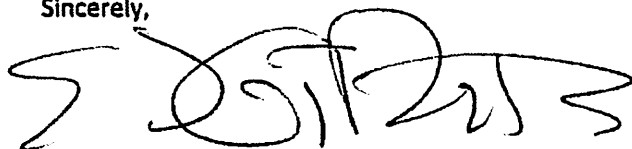

Dear Anne:

The Kent Sewer Commission herewith issues a conditional waiver of its requirement for an in-ground grease trap for food establishments. This determination is predicated on your assurance that a minimal amount fats, oil or grease will be added to the public sewer system from your food preparation activities at 5 Bridge Street *and* the sample menu you provided.

If at any time the Commission finds that unacceptable levels of fats, oil or grease are being introduced to the sewer system from your 5 Bridge Street location or if there is a change to the menu that, in the determination of the Commission, could introduce higher levels of fats, oil or grease to the sewer system, this waiver will be revoked and an in-ground grease trap will be required. For purposes of this determination, fats, oil or grease in the amounts 100 milligrams per liter or higher will be considered to be an unacceptable level.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Elissa G. T. Potts', written over a horizontal line.

Elissa G. T. Potts
Chair, Kent Sewer Commission
