REQUEST FOR PROPOSALS ON PLAYGROUND DESIGN, EQUIPMENT AND INSTALLATION

ADDENDUM NO. 1

NOVEMBER 28, 2022

The Town of Kent, Connecticut Park & Recreation Department is seeking proposals for an ADA, IPEMA and ASTM compliant playground to be installed at **Kent Commons Park located at the end of Swifts Lane, Kent, CT 06757**. This document is an addendum to the original RFP and contains several modified instructions for bidders. They are as follows with key information highlighted in **bold**:

Public bid language clarifications:

- 1) "Tall slide" height minimum of 9 feet has been removed. **Instead, we request that bidders include in their proposal at least one "tall slide suitable for older children."**
- 2) The installation deadline of July 1, 2023 has been removed. **Instead, we ask bidders to include an installation date estimate taking into consideration a contract decision date of January 31, 2023.**
- 3) The "site-prep" section of the original RFP has been modified to the following:

Proposals should also include pricing on:

- All site prep including:
 - o Removal of current playground equipment **and disposal at local town transfer-station less than one mile from work-site**
 - o Any necessary grading/excavation **-AND/OR- building up of site with borders**
 - o Installation of drainage and all sub-base material(s)
