*The Board welcomes public participation and asks that speakers please limit their comments to 3 minutes, which will be monitored. Speakers must introduce themselves, indicate the town they reside in, and state the topic of their Comment. Speakers may offer objective comments of school operations and/or programs that concern them. To protect the impartiality of the Board, we will not permit any expression of personal complaints or defamatory comments about **Region One** personnel or students, nor against any person connected with the Region One public schools. Such issues should be brought to the school building administration or the office of the Superintendent of Schools. The Board will not respond to comments made during Public Comment, except to clarify issues, if necessary. When appropriate, District administration will follow-up at a later point in time, or in conjunction with the Board Chairman schedule a topic as an agenda item for a future Business Meeting of the Region One Board of Education.*
