Park and Recreation Department
Sewer Commission
Zoning Board of Appeals

Re: Plan of Conservation and Development

At the December meeting of the Planning & Zoning Commission, I was instructed to contact our implementation partners to advise them that the time has come to begin the process of revising the Town of Kent Plan of Conservation and Development ... it's been a quick 10 years !!

If you have anything that you would like added or revised, please feel free to submit them to me at your earliest convenience. Since our meetings will continue to be held via zoom, please feel free to stop by if you would like to verbally add your comments. Please feel free to pass this info on to others you might think would like to contribute.

As always, if you have any questions or concerns, please feel free to reach out.

Best regards,
Donna M. Hayes, CZEO
Land Use Administrator
