

IMPORTANT: PLEASE READ

Due to the current Corona Virus Emergency, the food bank will be instituting the following protocol. If you are ill, you will be asked to wait in your car. A food bank staff will bring your food to you. Please do not enter the building. Everyone will be provided an extra shopping bag today. This bag is for emergency food in case it becomes necessary to close the food bank for a period of time. It is not intended for weekly use.

- Everyone must wait outside the building until staff indicate you may enter.
- Entrance is limited to three individuals at a time. Exceptions may be made for larger family groups.
- Once you enter the building **DO NOT ENTER THE FOOD BANK.** Please proceed to the rest rooms and thoroughly wash your hands. Once your hands are washed, you may enter the food bank.
- When shopping, please do so as quickly as possible.
- **DO NOT** take bakery items yourself. A staff member will be available to assist you.

If it is determined that the food bank would need to be closed, I will make every effort to contact you by telephone. In addition, a notice stating closure information will be posted on the Town of Kent website and at the entrance to the food bank.

I am sorry that it has become necessary to take these measures but be assured that all decisions were made to protect the health all those involved.

Leah Pullaro, Kent Social Services
