This map is updated through December 2008 by the Kent Conservation Commission. Parcel boundaries were compiled by HVA from the town of Kent's DLG files and enhanced through the use of GPS, digital orthophotos, and town review. The Appalachian Trail was distributed by the Connecticut DEP. Roads are based on USGS orthophotos, and town review. Most data were obtained from the Environmental GIS Data DATA SOURCES. 

Limited Conservation Easement*:
- State
- Federal
- Nonprofit

Conservation Easements:
- Federal
- State
- Nonprofit
- Private

Conservation Ownership:
- Federal
- State
- Municipal
- Nonprofit
- Private
